AN ACT relating to prescriptions; revising provisions governing the tracking of prescriptions for controlled substances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides for the creation of a computerized program to track prescriptions for controlled substances listed in schedule II, III or IV. (NRS 453.1545) **Section 1** of this bill requires a practitioner, ***under certain circumstances***, before he writes a prescription for such a controlled substance for a patient, to ~~check~~ obtain a patient utilization report concerning the patient from the computerized program to ensure that the patient does not already have a prescription for that controlled substance. **Section 2** of this bill provides that each practitioner who is authorized to write prescriptions for controlled substances listed in schedule II, III or IV must have Internet access to the database of the computerized program. **Section 3 of this bill requires the State Board of Pharmacy to report to the Legislature concerning the implementation of this bill.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 639 of NRS is hereby amended by adding thereto a new
2 section to read as follows:

3 ***A practitioner shall, before he writes a prescription for a controlled substance***
4 ***listed in schedule II, III or IV for a patient, check obtain a patient utilization***
5 ***report regarding the patient for the preceding 12 months from the computerized***
6 ***program established by the Board and the Investigation Division of the***
7 ***Department of Public Safety pursuant to NRS 453.1545 to ensure that the***
8 ***patient does not already have a prescription for the controlled substance to be***
9 ***prescribed if:***

10 **1. The patient is a new patient of the practitioner;**
11 **2. The patient has not received any prescription for a controlled substance**
12 **from the practitioner in the preceding 12 months; or**

1 3. The practitioner has a reasonable belief that the patient may be seeking
2 the controlled substance, in whole or in part, for any reason other than the
3 treatment of an existing medical condition.

4 → The practitioner shall review the patient utilization report to assess whether the
5 prescription for the controlled substance is medically necessary.

6 Sec. 2. NRS 453.1545 is hereby amended to read as follows:

7 453.1545 1. The Board and the Division shall cooperatively develop a
8 computerized program to track each prescription for a controlled substance listed in
9 schedule II, III or IV that is filled by a pharmacy that is registered with the Board or
10 that is dispensed by a practitioner who is registered with the Board. The program
11 must:

12 (a) Be designed to provide information regarding:

13 (1) The inappropriate use by a patient of controlled substances listed in
14 schedules II, III and IV to pharmacies, practitioners and appropriate state agencies
15 to prevent the improper or illegal use of those controlled substances; and

16 (2) Statistical data relating to the use of those controlled substances that is
17 not specific to a particular patient.

18 (b) Be administered by the Board, the Division, the Health Division of the
19 Department and various practitioners, representatives of professional associations
20 for practitioners, representatives of occupational licensing boards and prosecuting
21 attorneys selected by the Board and the Division.

27 subsection I to carry out the provisions of section 1 of this act.

28 3. The Board and the Division must have access to the program established
29 pursuant to subsection 1 to identify any suspected fraudulent or illegal activity
30 related to the dispensing of controlled substances.

31 ~~3.~~ 4. The Board or the Division shall report any activity it reasonably
32 suspects may be fraudulent or illegal to the appropriate law enforcement agency or
33 occupational licensing board and provide the law enforcement agency or
34 occupational licensing board with the relevant information obtained from the
35 program for further investigation.

36 ~~4.~~ 5. Information obtained from the program relating to a practitioner or a
37 patient is confidential and, except as otherwise provided by this section, must not
38 be disclosed to any person. That information must be disclosed:

39 (a) Upon the request of a person about whom the information requested
40 concerns or upon the request on his behalf by his attorney; or

41 (b) Upon the lawful order of a court of competent jurisdiction.

42 ~~5.~~ 6. The Board and the Division may apply for any available grants and
43 accept any gifts, grants or donations to assist in developing and maintaining the
44 program required by this section.

45 Sec. 3. The State Board of Pharmacy shall, on or before February 1,
46 2009, submit a report concerning the implementation of this act to the Director
47 of the Legislative Counsel Bureau for transmittal to the Legislature.
