EXPLANATION – Matter in *bolded italics* is new; matter between brackets [omitted-material] is material to be omitted.

AN ACT relating to parentage; creating a conclusive presumption of paternity in certain circumstances; expanding the persons authorized to perform certain tests to determine paternity; **clarifying that the results of such tests and any sample or specimen taken may be used only for certain purposes**; revising certain provisions concerning voluntary acknowledgments of paternity; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill provides that if the results of a blood test or genetic test establish a probability of the alleged father's paternity of 99 percent or more, the results of such a test create a conclusive presumption of paternity except in certain limited circumstances. (NRS 126.051)

Sections 4 and 12 of this bill amend existing law to provide that a person designated by the Division of Welfare and Supportive Services of the Department of Health and Human Services, the district attorney or the Attorney General is authorized to perform certain tests for the typing of blood or the taking of specimens for genetic identification in paternity cases. (NRS 126.121, 652.210) **Section 4 also clarifies that the results of such tests and any sample or specimen taken may be used only for the purposes specified in chapter 126 of NRS.**

Sections 2 and 7-11 of this bill amend existing law to provide that the mother and father of a child may sign a declaration under penalty of perjury, rather than an affidavit which requires the signature of a notary public, for the voluntary acknowledgment of paternity of a child. (NRS 126.053, 440.280, 440.283, 440.287, 440.325, 449.246)

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

Section 1. NRS 126.051 is hereby amended to read as follows:
126.051 1. A man is presumed to be the natural father of a child if:
(a) He and the child's natural mother are or have been married to each other
and the child is born during the marriage, or within 285 days after the marriage is

terminated by death, annulment, declaration of invalidity or divorce, or after a decree of separation is entered by a court.

(b) He and the child's natural mother were cohabiting for at least 6 months before the period of conception and continued to cohabit through the period of conception.

(c) Before the child's birth, he and the child's natural mother have attempted to marry each other by a marriage solemnized in apparent compliance with law, although the attempted marriage is invalid or could be declared invalid, and:

(1) If the attempted marriage could be declared invalid only by a court, the child is born during the attempted marriage, or within 285 days after its termination by death, annulment, declaration of invalidity or divorce; or

(2) If the attempted marriage is invalid without a court order, the child is born within 285 days after the termination of cohabitation.

(d) While the child is under the age of majority, he receives the child into his home and openly holds out the child as his natural child.

~~{(e) Blood}~~

2. A conclusive presumption that a man is the natural father of a child is established if tests for the typing of blood or tests for genetic identification made pursuant to NRS 126.121 show a probability of 99 percent or more that he is the father ~~{}~~ except that the presumption may be rebutted if he establishes that he has an identical sibling who may be the father.

~~{2.}~~ **3. A presumption under ~~{this section}~~ subsection 1 may be rebutted in an appropriate action only by clear and convincing evidence. If two or more presumptions arise which conflict with each other, the presumption which on the facts is founded on the weightier considerations of policy and logic controls. The presumption is rebutted by a court decree establishing paternity of the child by another man.**

Sec. 2. NRS 126.053 is hereby amended to read as follows:

126.053 **1. After the expiration of the period described in subsection 2, ~~{an affidavit}~~ a declaration for the voluntary acknowledgment of paternity developed by the State Board of Health pursuant to NRS 440.283 shall be deemed to have the same effect as a judgment or order of a court determining the existence of the relationship of parent and child if the ~~{affidavit}~~ declaration is signed in this or any other state by the mother and father of the child. ~~{An affidavit}~~ A declaration for the voluntary acknowledgment of paternity that is signed pursuant to this subsection is not required to be ratified by a court of this State before the ~~{affidavit}~~ declaration is deemed to have the same effect as a judgment or order of a court determining the existence of the relationship of parent and child.**

2. A person who signs an acknowledgment of paternity in this State may rescind the acknowledgment:

(a) Within 60 days after the acknowledgment is signed by both persons; or

(b) Before the date on which an administrative or judicial proceeding relating to the child begins if that person is a party to the proceeding,

whichever occurs earlier.

3. After the expiration of the period during which an acknowledgment may be rescinded pursuant to subsection 2, the acknowledgment may not be challenged except upon the grounds of fraud, duress or material mistake of fact. The burden of proof is on the person challenging the acknowledgment to establish that the acknowledgment was signed because of fraud, duress or material mistake of fact.

4. Except upon a showing of good cause, a person's obligation for the support of a child must not be suspended during a hearing to challenge a voluntary acknowledgment of paternity.

1 **Sec. 3.** NRS 126.101 is hereby amended to read as follows:

2 126.101 1. The child must be made a party to the action. If he is a minor, he
3 must be represented by his general guardian or a guardian ad litem appointed by the
4 court. The child's mother or father may not represent the child as guardian or
5 otherwise. If a district attorney brings an action pursuant to NRS 125B.150 and the
6 interests of the child:

7 (a) Are adequately represented by the appointment of the district attorney as
8 his guardian ad litem, the district attorney shall act as guardian ad litem for the
9 child without the need for court appointment.

10 (b) Are not adequately represented by the appointment of the district attorney
11 as his guardian ad litem, the Division of Welfare and Supportive Services of the
12 Department of Health and Human Services must be appointed as guardian ad litem
13 in the case.

14 2. The natural mother and a man presumed to be the father under NRS
15 126.051 must be made parties, but if more than one man is presumed to be the
16 natural father, only a man presumed pursuant to subsection 2 *or 3* of NRS 126.051
17 is an indispensable party. Any other presumed or alleged father may be made a
18 party.

19 3. The court may align the parties.

20 **Sec. 4.** NRS 126.121 is hereby amended to read as follows:

21 126.121 1. The court may, and shall upon the motion of a party, order the
22 mother, child, alleged father or any other person so involved to submit to one or
23 more tests for the typing of blood or taking of specimens for genetic identification
24 to be made by *a designated person, [designated by an enforcing authority,] by*
25 *qualified physicians or by other qualified persons, under such restrictions and*
26 *directions as the court or judge deems proper. Whenever such a test is ordered and*
27 *made, the results of the test must be received in evidence and must be made*
28 *available to a judge, master or referee conducting a hearing pursuant to NRS*
29 *126.111. The results of the test and any sample or specimen taken may be used*
30 *only for the purposes specified in this chapter.* Unless a party files a written
31 objection to the result of a test at least 30 days before the hearing at which the result
32 is to be received in evidence, the result is admissible as evidence of paternity
33 without foundational testimony or other proof of authenticity or accuracy. The
34 order for such a test also may direct that the testimony of the experts and of the
35 persons so examined may be taken by deposition or written interrogatories.

36 2. If any party refuses to submit to or fails to appear for a test ordered
37 pursuant to subsection 1, the court may presume that the result of the test would be
38 adverse to the interests of that party or may enforce its order if the rights of others
39 and the interests of justice so require.

40 3. The court, upon reasonable request by a party, shall order that independent
41 tests for determining paternity be performed by other experts or qualified
42 laboratories.

43 4. In all cases, the court shall determine the number and qualifications of the
44 experts and laboratories.

45 5. *As used in this section [,"enforcing"] :*

46 (a) *"Designated person" means a person who is:*

47 *(1) Properly trained to take samples or specimens for tests for the typing*
48 *of blood and genetic identification; and*

49 *(2) Designated by an enforcing authority to take such samples or*
50 *specimens.*

51 (b) *"Enforcing authority" means the Division of Welfare and Supportive*
52 *Services of the Department of Health and Human Services, its designated*

➤ and the father has not consented to the adoption of the child or relinquished the child for adoption, a proceeding must be brought pursuant to this chapter and a determination made of whether a parent and child relationship exists and if so, if it should be terminated.

2. If a mother relinquishes or proposes to relinquish for adoption a child who does not have:

(a) A presumed father ~~under subsection 1 of~~ pursuant to NRS 126.051;

(b) A father whose relationship to the child has been determined by a court;

(c) A father as to whom the child is a legitimate child under chapter 126 of NRS, under prior law of this State or under the law of another jurisdiction; or

➤ or if a child otherwise becomes the subject of an adoption proceeding, the agency or person to whom the child has been or is to be relinquished, or the mother or the person having custody of the child, shall file a petition in the district court to terminate the parental rights of the father, unless the father's relationship to the child has been previously terminated or determined not to exist by a court.

If the natural father or a man representing himself to be the natural father, claims custodial rights, the court shall proceed to determine custodial rights.

5. If, after the inquiry, the court is unable to identify the natural father or any possible natural father and no person has appeared claiming to be the natural father and claiming custodial rights, the court shall enter an order terminating the unknown natural father's parental rights with reference to the child. Subject to the disposition of any appeal, upon the expiration of 6 months after an order terminating parental rights is issued under this subsection, or this chapter, the order cannot be questioned by any person in any manner or upon any ground, including fraud, misrepresentation, failure to give any required notice or lack of jurisdiction of the parties or of the subject matter.

6. Notice of the proceeding must be given to every person identified as the natural father or a possible natural father in the manner provided by law and the Nevada Rules of Civil Procedure for the service of process in a civil action, or in any manner the court directs. Proof of giving the notice must be filed with the court before the petition is heard.
