47 unlicensed personnel of a school district must be directly supervised by licensed  
48 personnel in all duties which are instructional in nature. To the extent practicable,  
49 the direct supervision must be such that the unlicensed personnel are in the  
50 immediate location of the licensed personnel and are readily available during such  
51 times when supervision is required.

1       2. Unlicensed personnel who are exempted pursuant to subsection 4 must be  
2 under administrative supervision when performing duties which are instructional in  
3 nature.

4       3. Unlicensed personnel may temporarily perform duties under administrative  
5 supervision which are not primarily instructional in nature.

6       4. Except as otherwise provided in subsection 5, upon application by a  
7 superintendent of schools, the Superintendent of Public Instruction may grant an  
8 exemption from the provisions of subsection 1. The Superintendent shall not grant  
9 an exemption unless:

10      (a) The duties are within the employee's special expertise or training;

11      (b) The duties relate to the humanities or an elective course of study, or are  
12 supplemental to the basic curriculum of a school;

13      (c) The performance of the duties does not result in the replacement of a  
14 licensed employee or prevent the employment of a licensed person willing to  
15 perform those duties;

16      (d) The secondary or combined school in which the duties will be performed  
17 has less than 100 pupils enrolled and is at least 30 miles from a school in which the

40 Instruction. As used in this subsection, "emergency" means an unforeseen  
41 circumstance which requires immediate action and includes the fact that a licensed  
42 teacher or substitute teacher is not immediately available.

43       9. If the Superintendent of Public Instruction determines that the board of  
44 trustees of a school district has violated the provisions of subsection 8, he shall take  
45 such actions as are necessary to reduce the amount of money received by the  
46 district pursuant to NRS 387.124 by an amount equal to the product when the  
47 following numbers are multiplied together:

51 per day pursuant to NRS 387.1233.

52       10. The provisions of this section do not apply to unlicensed personnel who  
53 are employed by the governing body of a charter school, unless a paraprofessional

1 employed by the governing body is required to be directly supervised by a licensed

3 pursuant thereto.

18 single class;

19 (e) Methods to reduce the use of long-term substitutes, including, without
