AN ACT relating to administrators of facilities for long-term care; providing for the reinstatement of expired licenses for administrators of a residential facility for groups or nursing facility administrators; requiring the payment of a fee for reinstatement; requiring the Nevada State Board of Examiners for Administrators of Facilities for Long-Term Care to make reasonable efforts to notify licensees of license renewal requirements and license expirations; revising provisions governing the authority of the Board to take disciplinary action against a person who holds a license; authorizing the Board to proceed with certain investigations, actions or disciplinary proceedings against persons with expired licenses; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law provides for the licensing of administrators of facilities for long-term care. (NRS 654.140-654.180) The license of a nursing facility administrator or an administrator of a residential facility for groups expires 2 years after it was issued unless it is renewed. (NRS 654.170) **Section 4 2** of this bill requires the Nevada State Board of Examiners for Administrators of Facilities for Long-Term Care to reinstate a license that expired if the person who held the license pays a fee and fulfills certain other requirements. **Section 4 2** also requires the Board to make reasonable efforts to notify a person who holds a license that renewal of a license is coming due and to notify a person if the license held by the person expired.

Under existing law, the Board may impose an administrative fine of not more than \$2,500 on a person who holds a license and may suspend or revoke a license for various violations. (NRS 654.190) **Section 4 3** of this bill increases the maximum amount of the administrative fine that the Board may impose to not more than \$5,000 and authorizes the Board to recover reasonable investigative fees and costs, to place conditions on a license and to place a person who holds a license on probation. **Section 4 3** also adds violations which would subject a person who holds a license to disciplinary action by the Board and provides that the expiration

17 of a license or the voluntary surrender of a license does not deprive the Board of jurisdiction  
18 to continue disciplinary proceedings against the person who held the license.

19 Existing law authorizes the reinstatement of a suspended license of an administrator of a  
20 residential facility for groups if a majority of the members of the Board vote in favor of the  
21 reinstatement. (NRS 654.195) **Section 14** 4 of this bill additionally authorizes reinstatement  
22 of the license if the person who held the license reapplies for the license and the Board  
23 determines that the person meets the requirements for the issuance of a license.
