Legislative Counsel's Digest:

Existing law allows a farm vehicle that contains dyed special fuel in the fuel tank to be operated on a highway in this State only when it is crossing the highway from one parcel of land to another parcel of land which is owned by or under the control of the person operating the farm vehicle. (NRS 366.203) This bill provides that any farm vehicle that is not required to be registered with the Department of Motor Vehicles or special mobile equipment that is incidentally operated or moved upon a highway may contain dyed special fuel in the fuel tank of the farm vehicle or special mobile equipment while it is operated on certain highways in this State.

**THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN

6 interest payable to the Department.

7 3. A person who, pursuant to subsection 2, 3 or 4 of NRS 366.200, is exempt
