AN ACT relating to education; providing that the rights of a parent of a pupil with a disability under the Individuals with Disabilities Education Act transfer to the pupil when the pupil attains the age of 18 years; providing that a parent of a pupil with a disability may request to represent the educational interests of the pupil when the pupil attains the age of 18 years; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

The Individuals with Disabilities Education Act (IDEA) authorizes, but does not require, a state to transfer the rights of a parent of a pupil with a disability under the IDEA to the pupil when the pupil attains the age of majority under state law. (20 U.S.C. § 1415(m)) The IDEA also requires that, if a state transfers the rights of a parent to the pupil, the state must provide a special rule that would allow the parent of the pupil with a disability to be appointed to represent the educational interests of the pupil under certain circumstances. (20 U.S.C. § 1415(m)(2)) If a court has appointed a guardian for a pupil with a disability, the rights that would otherwise transfer to the pupil must remain with or otherwise transfer to the guardian. The State Board of Education has adopted regulations which transfer the rights of a parent of a pupil with a disability to the pupil when the pupil attains the age of 18 years if a court has not appointed a guardian for the pupil. (NRS 388.520; NAC 388.195)

Section 2 of this bill provides that the rights of a parent of a pupil with a disability under the IDEA transfer to the pupil when the pupil attains the age of 18 years.

Section 3 of this bill authorizes the parent of a pupil with a disability to submit a concise application to the school district or the charter school in which the pupil is enrolled for the appointment of the parent to represent the educational interests of the pupil when the pupil attains the age of 18 years.
