EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to taxation; contingently **imposing a tax on retail sales, increasing the rate of the tax on transfers of real property and imposing a tax on residential construction** in certain counties; requiring any proceeds of the **[increased tax]** **additional taxes** to be deposited in the county school district's fund for capital projects; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill imposes a sales and use tax of one-quarter of 1 percent in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County), and requires the deposit of the proceeds of the tax in the county school district's fund for capital projects.

Under existing law, subject to certain exceptions, a tax is imposed on the transfer of real property in each county. In a county whose population is 400,000 or more (currently Clark County), the tax is imposed at a rate of \$1.25 for each \$500 of value of the property. In all other counties, the tax is imposed at a rate of 65 cents for each \$500 of value. (NRS 375.020, 375.090) Section **¶ 2** of this bill makes the rate of \$1.25 for each \$500 of value applicable in a county whose population is 100,000 or more, thereby increasing the rate of the tax in counties whose population is 100,000 or more but less than 400,000 (currently Washoe County).

Under existing law, in a county whose population is 400,000 or more, a portion of the proceeds of the tax that is equal to 60 cents for each \$500 of value must be deposited in the county school district's fund for capital projects. (NRS 375.070) Section **¶ 3** of this bill makes that requirement applicable in a county whose population is 100,000 or more.

Section 4 of this bill imposes a tax on residential construction in a county whose population is 100,000 or more but less than 400,000 (currently Washoe County) in the amount of \$1,600 for each lot for a mobile home, residential dwelling unit and suite in an

20 apartment house, and requires the deposit of the proceeds of the tax in the county school
21 district's fund for capital projects.

22 The provisions of sections ~~1 and 2~~ 1-4 of this bill will become effective on January 1,
23 2009, only if the voters of the affected counties approve of the effect of those provisions at the
24 2008 General Election.
