AN ACT relating to collection agencies; removing an exemption related to licensing for certain foreign collection agencies; **revising certain qualifications for licensure as a collection agency or collection agent;** limiting the activities of certain foreign collection agencies; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law exempts certain persons from obtaining a collection agency license in Nevada if certain conditions are met. (NRS 649.075) **Section 1** of this bill removes that exemption and requires all such persons to either register as a foreign collection agency or obtain a regular license.

Existing law requires each applicant for a license as a collection agency or collection agent to submit proof of certain information to the Commissioner of Financial Institutions, including, without limitation, proof that the applicant will maintain one or more offices in this State for the transaction of the business of his collection agency. (NRS 649.085) **Section 1.5** of this act allows the applicant to satisfy this requirement by submitting proof that the applicant will maintain one or more such offices in another state.

Section 2 of this bill removes the requirement that a person must hold a license in another state in order to be registered as a foreign collection agency in Nevada. (NRS 649.171)

Existing law states that a registered foreign collection agency must annually submit proof that it will not solicit business in this State. (NRS 649.171) **Section 2** of this bill adds the requirement that such an agency also must submit annually proof that it will not respond to any bids, proposals or invitations for business in this State **under certain circumstances.** **Section 2** also limits the activities of such an agency to collecting from residents of this State on behalf of residents of another state.
