AN ACT relating to recreation areas; prohibiting a person who uses a recreation area from engaging in certain conduct; requiring such a person to follow certain safety requirements; providing a penalty; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law sets forth prohibitions, penalties and duties for a person who operates or uses a skateboard park, amusement park or snow recreation area. (Chapters 455A and 455B of NRS) Generally those laws prohibit a person from engaging in certain activities at the park or snow recreation area, prescribe duties for the owner, operator or user of the park or area and specifically state that a county, city or unincorporated town may adopt additional ordinances governing the park or area as long as the ordinances do not conflict with existing statutes. (Chapters 455A and 455B of NRS)

This bill enacts similar prohibitions, penalties and duties for a person who operates or uses a recreation area. **Section 4** of this bill defines “recreation area” as a ***[trail,]*** trailhead or water access ***[facility,]*** area. **Section 8** of this bill prohibits certain conduct by a person using a recreation area. **Section 9** of this bill imposes certain duties on a person using a recreation area, such as a duty to locate and ascertain the meaning of any sign that is posted by the operator of the recreation area. **Section 10** of this bill absolves the operator of a recreation area ***and an owner of private property*** from liability for the death or injury of a person or for damage to property caused or sustained by a person using the recreation area if the person ***[knowingly]*** enters an area ***[which is not designated for use or]*** which is outside the recreation area. **Section 10 also requires an operator to provide certain information about the recreation area at trailheads and water access areas.** **Section 11** of this bill prohibits a person from entering or using a recreation area while intoxicated or under the influence of a controlled substance. **Section 12** of this bill imposes a misdemeanor penalty against a person who fails to comply with certain reporting requirements occurring upon the person’s involvement in a collision or an accident with another person. **Section 14** of this bill clarifies that the intent of the bill is not to preempt a county, city or unincorporated town from adopting additional ordinances which are consistent with this bill. **Section 14** also specifies that the

25 provisions of the bill are in addition to certain statutory and regulatory provisions relating to
26 state parks and state recreational areas.
