AN ACT relating to undertakings in civil actions; **increasing the amount of undertaking and** making mandatory a grant of increased undertaking in civil actions in which plaintiffs are ~~nonresident~~ nonresidents or foreign corporations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that, upon a defendant's request, a plaintiff who is not a Nevada resident must post up to \$500 security for the costs which the defendant may incur during litigation and which may be awarded to a defendant in the event that the plaintiff does not prevail. (NRS 18.130) Existing law also provides that the defendant may request increased security later in the litigation if it becomes apparent that the security posted is or will become insufficient. (NRS 18.130)

This bill increases to \$1,000 the maximum security which a court may initially impose. This bill also ~~sets forth the showing which a defendant must make in requesting an increase in posted security and~~ makes mandatory a grant of ~~such~~ an increase in security once ~~the required showing is made by~~ a defendant ~~to prove that the original undertaking is insufficient security.~~
