Legislative Counsel’s Digest:

Section 505 of the federal Illegal Immigration Reform and Immigrant Responsibility Act of 1996 prohibits states from providing a postsecondary education benefit to an alien who is not lawfully present in the United States unless any citizen or national of the United States is eligible for such a benefit. (8 U.S.C. § 1623) The federal Personal Responsibility and Work Opportunity Reconciliation Act of 1996 (PRWORA) restricts the eligibility of aliens for state and local benefits, including postsecondary education benefits. (8 U.S.C. §§ 1601 et seq.) Under the PRWORA, an alien who is not a qualified alien or nonimmigrant is not eligible for any state or local benefit except certain benefits such as emergency medical services, emergency disaster relief and certain public health assistance. (8 U.S.C. § 1621)

Existing state law grants free tuition in the Nevada System of Higher Education to students who are bona fide residents of Nevada for a certain period. (NRS 396.540) Existing law also authorizes the Board of Regents of the University of Nevada to provide loans to certain nursing students and scholarships to certain students under the Governor Guinn Millennium Scholarship Program who are residents of Nevada for a certain period. (NRS 396.890, 396.930) **Section 1** of this bill amends the definition of “bona fide resident” to exclude an alien who is not eligible for a state or local benefit in accordance with the PRWORA. Therefore, alien students who are not eligible for state or local benefits under the

20 Existing law authorizes the Board of Regents to enter into agreements for tuition waivers
21 for students from other states and foreign countries. (NRS 396.543) **Section 2** of this bill
22 prohibits the granting of such waivers to alien students who are not eligible for a state or local
23 benefit under the PRWORA.

24 **Existing law establishes the requirements for eligibility for a millennium**
25 **scholarship, including that a student must be a resident of Nevada for 2 years before**
26 **applying to receive a scholarship. (NRS 396.930) Section 3 of this bill provides an**

5 state for the granting of full or partial waivers of the nonresident tuition to residents
6 of the other state who are students at or are eligible for admission to any branch of
7 the System if the agreement provides that, under substantially the same
8 circumstances, the other state will grant reciprocal waivers to residents of Nevada
9 who are students at or are eligible for admission to universities or colleges in the
10 other state.

11 2. Each agreement must specify:

12 (a) The criteria for granting the waivers; and

13 (b) The specific universities, state colleges and community colleges for which
14 the waivers will be granted.

15 3. The Board of Regents shall provide by regulation for the administration of
16 any waivers for which an agreement is entered into pursuant to subsection 1.

18 *not eligible for a state or local public benefit as determined in accordance with 8*
19 *U.S.C. § 1621.*
