AN ACT relating to civil actions; establishing civil liability under certain circumstances for ~~unlawfully~~ **knowingly** serving, selling or otherwise furnishing a controlled substance to another person and for **knowingly** serving, selling or otherwise furnishing an alcoholic beverage to a minor; establishing civil liability under certain circumstances for **knowingly** allowing the unlawful use of a controlled substance by another person or the consumption of an alcoholic beverage by a minor on certain premises or in certain conveyances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides immunity from civil liability to a person who serves or sells an alcoholic beverage to another person for damages caused by an intoxicated person as a result of that service or sale. (NRS 41.1305) **Section 2** of this bill limits that immunity to a person who serves, sells or furnishes an alcoholic beverage to another person who is at least 21 years of age. In contrast, **section 2** makes a person liable in a civil action for damages caused as a result of the consumption of alcohol by an underage person if he **knowingly** served, sold or furnished alcohol to the underage person or allowed the underage person to consume alcohol on premises or in a conveyance belonging to him or over which he had control. ~~Such liability only applies if the person knew or should have known that the underage person was in fact less than 21 years of age.~~ The liability created does not apply to a person who is licensed to serve, sell or furnish alcoholic beverages or to an employee or agent of such a person.

Section 1 of this bill further makes a person liable in a civil action for damages caused as a result of the use of a controlled substance by another person if the person ~~unlawfully~~ **knowingly** served, sold or furnished the controlled substance or allowed the other person to use a controlled substance in an unlawful manner on premises or in a conveyance belonging to the person allowing the use or over which he has control.
