AN ACT relating to scrap metal; enacting various requirements for transactions involving scrap metal and for persons involved in such transactions; providing that a person who removes, damages or destroys certain property to obtain scrap metal is guilty of a crime; increasing the penalty for stealing scrap metal under certain circumstances; providing penalties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

- 1 **Sections 2 and 3** of this bill define the terms “scrap metal” and “scrap metal
- 2 processor.”
- 3 **Section 4** of this bill requires purchasers of scrap metal to hold current business
- 4 licenses from both the State and the appropriate city or county and to have
- 5 authorization to operate from the appropriate solid waste management authority.

Section 5 of this bill requires scrap metal processors to maintain certain records of all purchases of scrap metal by the scrap metal processors.

Section 6 of this bill allows peace officers or investigators to place a hold on certain property in the possession of a scrap metal processor alleged to be related to criminal activity for a specified period during the investigation or prosecution.

Section 7 of this bill requires that payments for purchases of scrap metal with a value of \$150 or more by a scrap metal processor must be made by certain means and that a receipt containing certain specified information must be provided to the seller of the scrap metal. **Section 7** also allows only a single cash transaction of less than \$150 each day between a scrap metal processor and a seller.

Section 7.5 of this bill provides that a person who violates any provision of **section 5, 6 or 7** of this bill is guilty of a misdemeanor.

Section 9 of this bill excludes scrap metal from the definition of "junk" under chapter 647 of NRS. (NRS 647.015) **Section 11** of this bill expands the crime of receiving property stolen from certain utilities and political subdivisions of the State, a category D felony, to include transactions involving scrap metal. (NRS 647.145)

Section 10 of this bill provides that chapter 647 of NRS does not prevent counties from licensing, taxing and regulating dealers in junk or scrap metal. (NRS 647.080)

Section 12 of this bill provides that a person who willfully or maliciously removes, damages or destroys utility property, agricultural infrastructure, construction sites or certain other property to obtain scrap metal is guilty of a misdemeanor if the value of the removal or damage of property is less than \$500 or a felony if the removal or damage is greater than \$500 or interrupts a service provided by utility property.

Existing law generally provides that a person commits petit larceny and is guilty of a misdemeanor if he steals property with a value of less than \$250. (NRS 205.240) Existing law also generally provides that a person commits grand larceny if he steals property with a value of \$250 or more. (NRS 205.220) A person who commits grand larceny is guilty of a category C felony if the value of the property is less than \$2,500 and is guilty of a category B felony if the value of the property is \$2,500 or more. (NRS 205.222)

Section 13 of this bill: (1) provides that, if the value of the scrap metal stolen within a period of 90 days is less than \$250, the person is guilty of a misdemeanor; (2) provides that, if the value of the scrap metal stolen within a period of 90 days is \$250 or more, the person is guilty of a category C or B felony with varying terms of imprisonment and fines, depending upon the value of the scrap metal stolen within the 90-day period; (3) requires the court to order a person who steals scrap metal to pay restitution; and (4) provides that the cost of repairing or replacing property damaged by the theft of scrap metal must be included in the value of the property that was stolen.

Sections 17 and 19 of this bill amend existing law to apply certain provisions governing larceny to the new crime of larceny described in **section 13** of this bill involving scrap metal. (NRS 205.251, 205.980)
