AN ACT relating to motor vehicles; prohibiting the waiver of certain examinations of applicants for a Nevada driver's license who are licensed in another jurisdiction but have not attained 21 years of age; providing an exception; establishing fees for the administration of certain examinations for noncommercial drivers' licenses; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to waive certain examinations for a person applying for a Nevada driver's license who possesses a valid driver's license of the same type or class issued by another jurisdiction but does not allow such a waiver if the person has not attained 25 years of age. (NRS 483.330) **Section 1** of this bill prohibits such a waiver for a person who has not attained 21 years of age, subject to certain exceptions.

Existing law authorizes the Department to require every applicant for a driver's license to submit to an examination that may include components which test the applicant's knowledge, skills and abilities. (NRS 483.330) **Section 1.5** of this bill requires the Department to charge a fee of \$25 for the administration of the examination for a noncommercial driver's license and a fee of \$10 for each readministration of that examination to the same person.
