AN ACT relating to charter schools; revising the deadline for submission of an application for renewal of a written charter; revising provisions governing the exemption from annual performance audits for certain charter schools; revising certain annual reports concerning the progress made by charter schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 1** of this bill changes the deadline by which a charter school must
2 submit an application for renewal of the written charter from 90 days to 120 days
3 before the expiration of the charter. (NRS 386.530)

4 A charter school that meets certain requirements, including certain financial
5 and performance standards, is eligible for an exemption from the requirement of an
6 annual performance audit and must instead undergo a performance audit every 3
7 years. (NRS 386.5515) **Section 2** of this bill provides that if such a charter school
8 no longer satisfies the requirements for an exemption or if reasonable evidence of
9 noncompliance concerning the educational progress exists, the charter school will
10 be required to submit to an annual performance audit. After undergoing the annual
11 performance audit, the charter school may reapply for the exemption.

12 Existing law requires the board of trustees of a school district and a college or
13 university within the Nevada System of Higher Education which sponsors a charter
14 school to submit an annual report to the State Board of Education on the evaluation
15 of the progress made by the charter school in achieving its educational goals and
16 objectives. (NRS 386.610) **Section 3** of this bill requires an annual report to be
17 made by the Department of Education for each charter school sponsored by the
18 State Board.
