SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 286.510 is hereby amended to read as follows:
2 286.510 1. Except as otherwise provided in subsections 2 and
3, a member of the System is eligible to retire :

4 *(a) If the member has an effective date of membership before*
5 *July 1, 2009, at age 65 if he has at least 5 years of service, at age 60*
6 *if he has at least 10 years of service and at any age if he has at least*

8 *(b) If the member has an effective date of membership on or*
9 *after July 1, 2009, at age 65 if he has at least 10 years of service*
10 *and at age 60 if he has at least 15 years of service.*

11 2. A police officer or firefighter is eligible to retire at age 65 if
12 he has at least 5 years of service, at age 55 if he has at least 10 years
13 of service, at age 50 if he has at least 20 years of service and at any
14 age if he has at least 25 years of service. Only service performed in
15 a position as a police officer or firefighter, established as such by
16 statute or regulation, service performed pursuant to subsection 3 and
17 credit for military service, may be counted toward eligibility for
18 retirement pursuant to this subsection.

19 3. Except as otherwise provided in subsection 4, a police
20 officer or firefighter who has at least 5 years of service as a police
21 officer or firefighter and is otherwise eligible to apply for disability
22 retirement pursuant to NRS 286.620 because of an injury arising out
23 of and in the course of his employment remains eligible for
24 retirement pursuant to subsection 2 if:

25 (a) He applies to the Board for disability retirement and the
26 Board approves his application;

27 (b) In lieu of a disability retirement allowance, he accepts
28 another position with the public employer with which he was

4 5. Eligibility for retirement, as provided in this section, does
5 not require the member to have been a participant in the System at
6 the beginning of his credited service.

7 6. Any member who has the years of creditable service
8 necessary to retire but has not attained the required age, if any, may
9 retire at any age with a benefit actuarially reduced to the required

14 additional 0.33 percent for each additional month that the member is
15 under the appropriate retirement age. Any option selected pursuant
16 to this subsection must be reduced by an amount proportionate to
17 the reduction provided in this subsection for the unmodified benefit.
18 The Board may adjust the actuarial reduction based upon an
19 experience study of the System and recommendation by the actuary.

24 before the issuance of the State Controller's annual report, the
25 State Controller, after subtracting from the unrestricted balance of
26 the State General Fund as of the close of the fiscal year the
27 amount required by subsection 1 of NRS 353.288 and making the
28 deposit to the Fund to Stabilize the Operation of the State
29 Government required by that subsection, shall deposit an amount
30 equal to 25 percent of the remaining unrestricted balance in the
31 State General Fund to the credit of the Public Employees'
32 Retirement Fund.*

38 be at least 90 percent funded if the actuarial value of the assets of
39 the fund is equal to or greater than 90 percent of the actuarial
40 accrued liabilities of the fund, as determined in accordance with
41 generally accepted accounting principles for government as
