AN ACT relating to guardianships; requiring additional information in a petition for appointment of a guardian under certain circumstances; requiring that a proposed adult ward be advised of his right to counsel; revising provisions relating to the attendance of a proposed adult ward at a guardianship hearing; requiring a guardian to petition a court before moving a ward into certain residential facilities under certain circumstances; making various other changes relating to guardianships; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

**Section 3** of this bill requires that a petitioner for the appointment of a guardian for a proposed adult ward provide the court with an assessment completed by a licensed physician of the proposed adult ward's needs and limitations in capacity before the court makes a final order in the case. (NRS 159.044)

**Section 4** of this bill provides that a proposed adult ward must be advised of his right to counsel in the guardianship proceeding and requires that certain information or responses provided by the adult ward relating to his right to counsel and to the proceeding be transmitted to the court. (NRS 159.0485)

Existing law provides that a proposed ward found in this State must attend a hearing for the appointment of a guardian unless a certificate is signed indicating the reasons the proposed ward cannot appear. (NRS 159.0535) **Section 5** of this bill

provides that a proposed ward who is unable to attend a hearing for the appointment of a general or special guardian may attend by videoconference. **Section 5** further provides that if a proposed ward is an adult and cannot attend the hearing or appear by videoconference, the court must have the person who signs the certificate to excuse the proposed adult ward from attending the hearing meet with the proposed adult ward and report back to the court regarding the proposed adult ward's desire for representation at the hearing, preferences if a guardianship is imposed and any information the person believes may have limited any of the proposed adult ward's responses.

Existing law provides that a guardian must file with the court annually, or at such other times the court deems appropriate, a written report on the condition of the ward and the exercise of authority and the performance of duties by the guardian. (NRS 159.081) **Section 6** of this bill: (1) provides that a guardian must also file with the court a report within 10 days of moving a ward to a secured residential long-term care facility; and (2) authorizes the court to determine the form and contents of such a report.

**Section 7** of this bill requires a guardian to petition the court and receive the court's consent before moving a ward into a secured residential long-term care facility. However, a guardian does not need to petition the court if the court has already granted the guardian the authority to move the ward to such a facility or if a licensed physician, a physician employed by the Department of Veterans Affairs, a licensed social worker or an employee of the county's office of protective services recommends the transfer in writing. (NRS 159.113)
