AN ACT relating to taxation; revising the provision providing property tax exemptions for the property of certain nonprofit organizations; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Currently NRS 361.111 provides a tax exemption for property held by the
2 Archaeological Conservancy, Nature Conservancy, American Land Conservancy
3 and Nevada Land Conservancy. This bill amends the statute to remove the names
4 of specific organizations and provide the exemption for the property of nonprofit,
5 501(c)3 organizations that are organized principally for the conservation of land,
6 cultural resources and natural resources. The statute requires that the property is
7 being held for acquisition by the State or a local governmental unit, and this bill
8 includes the Federal Government as an additional entity. This bill also provides for
9 an additional exemption from taxation if the property is being held indefinitely for
10 purposes of conservation, education or environmental protection.
