EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [~~omitted material~~] is material to be omitted.

AN ACT relating to residential property; revising certain provisions relating to the energy efficiency of residential dwellings; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 1** of this bill, with certain exceptions, requires that when a seller
2 advertises a residential property, the advertisement must contain either: (1) an
3 evaluation of the energy consumption of the property; or (2) the actual energy
4 usage of the residential property for the most recent 12-month period in which the
5 property was continuously inhabited, if any. **Sections 3 and 4** of this bill set forth
6 requirements parallel to **section 1**, but applicable, respectively, to: (1) the
7 advertisement of dwelling units for rent; and (2) the duties of real estate brokers
8 and salesmen when advertising residential property.

9 **Section 5** of this bill expands the program for evaluating the energy
10 consumption of residential property in this State to include residential property to
11 which is affixed more than four dwelling units. (NRS 701.250) **Section 7** of this
12 bill requires that the Director of the Office of Energy appointed pursuant to NRS
13 701.150 adopt the regulations described in NRS 701.250 not later than 120 days
14 after the effective date of this act and provides that, until the Director does so, the
15 program for evaluating the energy consumption of residential property in this State
16 must use the American Building Rating Performance System.

17 **Section 6** of this bill provides that, with respect to both residential property
18 (NRS 113.110) and dwellings (NRS 118A.080), the actual energy usage of such
19 property, measured in kilowatt-hours or dollars, for the most recent 12-month
20 period in which the property was continuously inhabited, if any, is a matter of
21 public record.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** Chapter 113 of NRS is hereby amended by adding
2 thereto a new section to read as follows:

3 *1. Except as otherwise provided in subsection 2, whenever a
4 seller offers a residential property for sale in any advertisement
5 that includes the price of the residential property, the seller shall
6 ensure that the advertisement sets forth:*

7 *(a) The results of an evaluation of the energy consumption of
8 the residential property, which evaluation:*

9 *(1) Must be conducted in accordance with the standards set
10 forth in NRS 701.250; and*

11 *(2) Must have been conducted in the 5-year period
12 immediately preceding the advertisement of the residential
13 property; or*

14 *(b) The actual energy usage of the residential property,
15 measured in kilowatt-hours or dollars, for the most recent
16 12-month period in which the residential property was
17 continuously inhabited, if any.*

18 *2. The provisions of subsection 1 do not apply to an
19 advertisement of the sale or intended sale of residential property:*

20 *(a) By foreclosure pursuant to chapter 107 of NRS; or*

21 *(b) Between any co-owners of the property, spouses or persons
22 related within the third degree of consanguinity.*

23 **Sec. 2.** NRS 113.100 is hereby amended to read as follows:

24 113.100 As used in NRS 113.100 to 113.150, inclusive, **and**
25 **section 1 of this act**, unless the context otherwise requires:

26 1. "Defect" means a condition that materially affects the value
27 or use of residential property in an adverse manner.

28 2. "Disclosure form" means a form that complies with the
29 regulations adopted pursuant to NRS 113.120.

30 3. "Dwelling unit" means any building, structure or portion
31 thereof which is occupied as, or designed or intended for occupancy
32 as, a residence by one person who maintains a household or by two
33 or more persons who maintain a common household.

34 4. "Residential property" means any land in this state to which
35 is affixed not less than one nor more than four dwelling units.

* A B 4 5 7 *

1 5. "Seller" means a person who sells or intends to sell any
2 residential property.

3 **Sec. 3.** Chapter 118A of NRS is hereby amended by adding
4 thereto a new section to read as follows:

5 *1. Except as otherwise provided in subsection 2, whenever a
6 landlord or owner offers a dwelling for rent in any advertisement
7 that includes the rental price of the dwelling, the landlord or
8 owner, as applicable, shall ensure that the advertisement sets
9 forth:*

10 *(a) The results of an evaluation of the energy consumption of
11 the dwelling, which evaluation:*

12 *(1) Must be conducted in accordance with the standards set
13 forth in NRS 701.250; and*

14 *(2) Must have been conducted in the 5-year period
15 immediately preceding the advertisement of the dwelling for rent;
16 or*

17 *(b) The actual energy usage of the dwelling, measured in
18 kilowatt-hours or dollars, for the most recent 12-month period in
19 which the dwelling was continuously inhabited, if any.*

20 *2. If a dwelling offered for rent is part of a multi-unit
21 complex or facility in which there are multiple dwellings having
22 the same floor plan, a landlord or owner, as applicable, may
23 satisfy the requirements of subsection 1 by furnishing in the
24 advertisement the information required by that subsection, but
25 with respect to a different dwelling which has the same floor plan
26 as the dwelling being advertised.*

27 **Sec. 4.** Chapter 645 of NRS is hereby amended by adding
28 thereto a new section to read as follows:

29 *1. If a person licensed pursuant to the provisions of this
30 chapter offers a residential property for sale in any advertisement
31 that includes the price of the residential property, the licensee
32 shall ensure that the advertisement sets forth:*

33 *(a) The results of an evaluation of the energy consumption of
34 the residential property, which evaluation:*

35 *(1) Must be conducted in accordance with the standards set
36 forth in NRS 701.250; and*

37 *(2) Must have been conducted in the 5-year period
38 immediately preceding the advertisement of the residential
39 property; or*

40 *(b) The actual energy usage of the residential property,
41 measured in kilowatt-hours or dollars, for the most recent
42 12-month period in which the residential property was
43 continuously inhabited, if any.*

44 *2. As used in this section, "residential property" has the
45 meaning ascribed to it in NRS 113.100.*

21 **Sec. 6.** Chapter 704 of NRS is hereby amended by adding
22 thereto a new section to read as follows:

23 **1. The following items of information are public records:**
24 (a) *The actual energy usage of each parcel of residential
25 property, measured in kilowatt-hours or dollars, for the most
26 recent 12-month period in which the residential property was
27 continuously inhabited, if any; and*

28 *(b) The actual energy usage of each dwelling, measured in
29 kilowatt-hours or dollars, for the most recent 12-month period in
30 which the dwelling was continuously inhabited, if any.*

31 **2. Each public utility operating in this State shall ensure that
32 the public records described in subsection 1 are available for
33 public inspection and copying.**

34 **3. In complying with the provisions of subsection 2:**

35 (a) *A public utility may:*

36 *(1) Charge a reasonable fee to cover the cost of preparing
37 the public records described in subsection 1 for public
38 consumption; and*

39 *(2) Redact from the public records described in subsection
40 1 any trade secret.*

41 *(b) A public utility shall ensure that the public records
42 described in subsection 1 are not made available in a manner
43 which would reveal personally identifying information.*

44 **4. As used in this section:**

* A B 4 5 7 *

1 (a) "Dwelling" has the meaning ascribed to it in
2 NRS 118A.080.
