

CHAPTER.....

AN ACT relating to credit cards; providing that, in an action to collect credit card debt, a purchaser of credit card debt must include certain information in the complaint and satisfy certain evidentiary standards; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law provides that an issuer of a credit card may establish liability for credit card debt by producing a written application for the credit card signed by the cardholder or by evidence that the cardholder incurred charges and made payments on the card. (NRS 97A.160) This bill provides that a judgment cannot be entered in favor of a subsequent purchaser of credit card debt who attempts to collect on the debt unless the purchaser establishes liability for the debt in that manner. This bill also requires certain information to be disclosed in any complaint filed by a purchaser of credit card debt in an action to collect credit card debt.
