AN ACT relating to state financial administration; revising provisions governing the distribution of proceeds collected from fees that must be paid to reinstate the registration of a motor vehicle that has been suspended for failure to have proper insurance; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law provides for a fee of \$250 to reinstate the registration of a motor
2 vehicle that was suspended because the registered owner failed to have insurance
3 on the date specified in the form for verification that was mailed to the owner, and
4 for a fee of \$50 for a registered owner of a dormant vehicle who cancelled or
5 allowed the insurance coverage to expire before cancelling the registration of the
6 vehicle. (NRS 482.480) The proceeds collected from the fees are deposited in the
7 Account for Verification of Insurance and used to carry out the provisions of law
8 relating to proof of insurance for motor vehicles. This bill revises the manner in
9 which the money in the Account may be used so that it may be used, within the
10 limits of legislative appropriation, only to pay for expenses related to the operation
11 of the Department of Motor Vehicles.
