EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to education; clarifying eligibility for and the administration of Millennium Scholarships for students who are enrolled in more than one eligible institution; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law provides that to be eligible for a Governor Guinn Millennium
2 Scholarship a student must be enrolled in at least 6 semester credit hours in a
3 community college or 12 semester credit hours in another eligible institution. (NRS
4 396.930) The law does not specify whether enrollment in more than one eligible
5 institution affects a student's eligibility for a Scholarship or how to administer the
6 Scholarship for such a student.

7 This bill clarifies that a student who is enrolled in more than one eligible
8 institution is eligible for a Millennium Scholarship if the student meets certain
9 requirements, and that the Scholarship must be administered by the eligible
10 institution at which the student is enrolled in a program of study leading to a
11 recognized degree or certificate. This bill also directs the Board of Regents of the
12 University of Nevada to establish procedures and guidelines for the administration
13 of Millennium Scholarships for students who are enrolled in more than one eligible
14 institution. (NRS 396.930, 396.934)
