ASSEMBLY JOINT RESOLUTION—Proposing to amend the
Nevada Constitution by adding the provisions of the Tax
and Spending Control for Nevada initiative.

Legislative Counsel's Digest:

This bill proposes to amend the Nevada Constitution by adding the provisions of the Tax and Spending Control for Nevada initiative (TASC). The provisions of this bill are substantially similar to versions of that initiative which were filed with the Secretary of State in conjunction with the 2006 General Election. The Legislative Counsel has not revised the language for clarity or consistency with the style and contents of the Nevada Constitution or the Nevada Revised Statutes. The initiative as submitted to the Legislative Counsel states that:

“If enacted, TASC for Nevada will add a new article to the Nevada Constitution:

Preventing state and local tax increases and new multi-year indebtedness except when referred to voters by 2/3 of the Nevada Legislature or of the local governing board, and passed by a majority of voters casting ballots at a general election (§ 2);

Limiting spending increases by the state, and by cities and counties chartered by the state, to inflation plus percentage change in population; allowing increases of these limits by the amount of voter-approved tax increases (§§ 4, 8);

If state or city revenues exceed spending limits, requiring the deposit of part of these revenues into a state Emergency Reserve Fund and Budget Stabilization (‘Rainy Day’) Fund, or a local Budget Reserve Fund;

Rebating any additional excess revenues to certain taxpayers;

Changing rules on the use of money in the existing state Rainy Day Fund, including requiring that 3/4 of the Legislature, rather than the Governor, declare any emergency (§§ 5, 6, 8);

Barring the state from imposing ‘unfunded mandates’ on cities and counties or
‘shifting’ costs to local governments (§ 7);
Providing for certain other important substantive changes to the Constitution
(§§ 1, 9, 10);
Allowing suit for enforcement (§ 11).”

RESOLVED BY THE SENATE AND ASSEMBLY OF THE STATE OF
NEVADA, JOINTLY, That a new article, designated Article 10A, be
added to the Nevada Constitution to read as follows:

**ARTICLE. 10A. TAX AND SPENDING
CONTROL FOR NEVADA**

Sec. 1. General.

*WHEREAS, A Nevada Supreme Court decision, Guinn
v. Legislature, 119 Nev. 277 (2003), held that the
amendment twice passed by the voters of Nevada and
incorporated in Section 18 of Article 4 of the Nevada
Constitution requiring Legislative supermajorities for the
passage of bills or resolutions increasing public taxes was a
mere “procedural” requirement, to be effectively negated by
a purportedly “substantive” provision of the Constitution;
and*

*WHEREAS, The supermajority requirement was
intended by the sovereign People of Nevada to be a
fundamental governing principle of this State; and*

*WHEREAS, Limitation on the growth of Government
remains the intent of the sovereign People of Nevada; and*

*WHEREAS, Limitation on the amounts that may be
appropriated or authorized for expenditure will restrain the
growth of Government; now, therefore*

BE IT RESOLVED BY THE PEOPLE OF NEVADA
*that this new Article, entitled Tax and Spending Control for
Nevada, be added to the Nevada Constitution, reading as
follows:*

Sec. 2. The People’s Right to Vote.

or a tax policy change directly causing a tax revenue gain to
any such government. Voter approval is also required for
the creation of any multi-fiscal year direct or indirect debt
or other financial obligation after January 1, 2013, in order*

1 *for the debt service payments of such debt or obligation to*

17 *the eligible voters casting a ballot at that election.*

19 *under this Section by subsection 1 shall offer voters the*
20 *options of "YES" or "NO" and shall include, in addition to*

30 *AUTHORIZE THE STATE TO RAISE TAXES AND*
31 *EXCEED STATE CONSTITUTIONAL LIMITS ON*
32 *GOVERNMENT SPENDING BY [insert proposed spending*
33 *limit increase]."*

34 (b) *For any revenue approval question proposed to*
35 *increase the amount of the Local Government Spending*
36 *Limit under Section 8 of this Article, the maximum dollar*
37 *amount of the Local Government Spending Limit under*
38 *Section 8 must be predetermined and the ballot and sample*

41 *WILL AUTHORIZE [insert appropriate local government]*
42 *TO RAISE TAXES AND INCREASE LOCAL*
43 *GOVERNMENT SPENDING BY [insert maximum*
44 *projected revenue increase]."*

(c) For all multi-fiscal year debt approval questions required by this section, the maximum dollar amount of the amount borrowed and the cost of debt service must be predetermined and the ballot and sample ballot must state in bold type immediately below the measure's title: "A 'YES' VOTE ON THIS MEASURE WILL AUTHORIZE [insert 'THE STATE' or name of the appropriate local government] TO BORROW UP TO [insert maximum dollar amount financed under the measure] AT A TOTAL REPAYMENT COST OF [insert anticipated maximum total dollar amount of completed debt service]."

14 2. *The State Controller shall transfer money from the*

24 *event:*

25 (a) *Should the excess tax revenue be a sum equal to or*

42 *taxpayers against taxes paid in a manner determined by*
43 *majority action of the Legislature.*

44 (b) *Should the excess tax revenue be a sum less than 0.5*
45 *percent of the State Spending Limit, it shall be deemed a*

1 *“Saved State Tax Surplus” and shall constitute an*
2 *obligation of the state government to be repaid to state*
3 *taxpayers at such time as a subsequent Refundable Tax*
4 *Surplus, in combination with that Saved Tax Surplus,*
5 *exceeds 0.5 percent of the State Spending Limit.*

6 *Sec. 7. Mandated and Shifted Costs.*

7 *The Nevada Legislature shall not, directly or indirectly,*
8 *enact laws or authorize the adoption of regulations,*
9 *requiring the counties and cities of the State to provide new*
10 *services, expand existing services or conduct new or*
11 *additional governmental function without appropriating or*
12 *designating state funding sources to fully support said new*
13 *services, expansion of existing services and new or*
14 *additional governmental functions. The proportion of state*
15 *revenue paid to all local units of government, taken as a*
16 *group, shall not be reduced below that proportion in effect*
17 *at the adoption of this Article unless the state has relieved*
18 *local governments of an obligation or expense. Where state*
19 *laws or regulations directly or indirectly reduce the*
20 *expenses of local governments, the proportion of state*
21 *revenue paid to all local units of government may be*
22 *reduced by up to the amount of the reduced expenses.*
23 *Where costs are transferred from one unit of government to*
24 *another unit of government, either by law, court order or*
25 *agreement, the limitation imposed by Sections 4 and 8 of*
26 *this Article shall be adjusted and transferred accordingly so*
27 *that total costs of the transferred services are not increased*
28 *as a result of such transfer.*

29 *Sec. 8. Local Government Spending Limits.*

30 1. *All local government spending by cities and counties*
31 *chartered by the state for three or more years shall be*
32 *subject to a Local Government Spending Limit. This limit*
33 *shall apply to the first fiscal year for each city and county*
34 *that commences on or after January 1, 2013, and shall limit*
35 *city or county fiscal-year spending to the greater of:*

36 (a) *The total amount of local government spending in*
37 *the preceding fiscal year increased by a percentage amount*
38 *equal to the result obtained by adding the rate of inflation*
39 *for the preceding calendar year, plus the percentage change*
40 *in local government population during the preceding*
41 *calendar year; or*

42 (b) *The Local Government Spending Limit for the*
43 *previous fiscal year.*

44 2. *Notwithstanding subsection 1, the Local*
45 *Government Spending Limit may be adjusted to incorporate*

1 *revenue changes approved by voters pursuant to Section 2*
2 *of this Article.*

3 3. *When local tax revenue exceeds the Local*
4 *Government Spending Limit, counties and cities may retain*
5 *up to half of the budget surplus in any fiscal year for a*
6 *Budget Reserve Fund. The purpose of the Fund shall be*
7 *limited to offsetting a shortfall of revenue below the Local*
8 *Government Spending Limit or addressing declared*
9 *emergencies. The Budget Reserve Fund is limited to 5*
10 *percent of the Local Government Spending Limit.*

11 4. *After transfers are made to a county or city Budget*
12 *Reserve Fund pursuant to subsection 3 of this section, an*
13 *excess amount of local tax revenue for a fiscal year may*
14 *remain. In that event:*

15 (a) *Should the excess tax revenue be equal to or greater*
16 *than 1 percent of the Local Government Spending Limit, it*
17 *shall be deemed "Refundable Local Tax Surplus." By a two-*
18 *thirds vote of the local governing body, the local*
19 *government may ask voters for approval, pursuant to*
20 *Section 2, subsection 2 of this Article, to spend all or part of*
21 *a Refundable Local Tax Surplus. Absent approval of the*
22 *voters to spend the Refundable Local Tax Surplus, that*
23 *Surplus shall be held and credited to the next year's*
24 *property tax bill for each private parcel in the jurisdiction of*
25 *the local government, in proportion to each parcel's*
26 *contribution to total property tax proceeds. If any portion of*
27 *the Surplus remains thereafter, that portion shall be*
28 *refunded or credited proportionately to taxpayers against*
29 *taxes paid in a manner determined by majority action of the*
30 *local government's governing board.*

31 (b) *Should the excess tax revenue be less than 1 percent*
32 *of the Local Government Spending Limit, it shall be deemed*
33 *a "Saved Local Tax Surplus," and shall constitute an*
34 *obligation of the local government to be repaid to local*
35 *government taxpayers at such time as a subsequent*
36 *Refundable Local Tax Surplus, in combination with that*
37 *Saved Local Tax Surplus, exceeds 1 percent of the Local*
38 *Government Spending Limit.*

39 **Sec. 9. Amendment.**

40 *Any proposed amendment to this Constitution mandating*
41 *specific state appropriations for projects or services, or*
42 *establishing a minimum formula for state appropriations,*
43 *for any purpose, that does not also establish a specific*
44 *source of additional state revenue dedicated to fully funding*
45 *those appropriations, must include the following voter*

advisory displayed in bolded capital letters above the ballot question on the ballot and the sample ballot:

“NOTICE TO VOTERS: THIS MEASURE REQUIRES ADDITIONAL STATE EXPENSES WITHOUT CREATING A MEANS TO PAY FOR THEM. PASSAGE MAY REDUCE FUNDING FOR OTHER IMPORTANT GOVERNMENT FUNCTIONS.”

Sec. 10. Implementation.

All provisions of this Article are self-executing and severable and supersede conflicting state constitutional, state statutory, charter, or other state or local provisions. In any circumstances where two or more reasonable interpretations of a provision of this Article exist, the correct interpretation shall be that which better restrains growth in government spending. In any circumstances where another provision of this Constitution is deemed to conflict with this Article, such other provision shall be superseded by this Article. If a court of competent jurisdiction in a final order shall adjudge any expenditure category, or revenue source, exempt from this section, the process of computing the State Spending Limit shall be adjusted accordingly and remaining provisions shall be in full force and effect.

Sec. 11. Enforcement.

Any Nevada taxpayer or class of Nevada taxpayers shall have standing to commence an action to enforce this Article. A court of record shall award successful plaintiffs costs and reasonable attorney fees in the suit. Should the Court determine that the action was frivolous, the Court may award reasonable expenses to the prevailing party.
