AN ACT relating to motor vehicles; ~~[authorizing a short term lessor and short term lessee of a passenger car to agree that the lessee will be responsible for certain damages to the car under certain circumstances;]~~ authorizing a short-term lessor to exclude from a waiver of damages losses resulting from the theft of a leased car if the theft is committed by an authorized driver or by a person aided or abetted by an authorized driver; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law governing the business of short-term leases of passenger cars, ~~the lessor and lessee may agree on the extent of the lessee's financial responsibility if the leased car is damaged during the term of the lease. (NRS 482.3154, 482.31545)~~ Section 2 of this bill authorizes the lessee and lessor to agree that the lessee will be responsible for: (1) damages to a leased car from theft and vandalism even if the lessee is not at fault; and (2) the diminished value of a leased car resulting from physical or mechanical damage to the car for which the lessee is liable. "Diminished value," as defined in section 1 of this bill, is the decrease in the fair market value of a car that has been damaged from what the car would have been worth if it had not been damaged and what it is likely to be worth if the damage is repaired properly.

~~At~~ a short-term lessor may offer the lessee of a passenger car the opportunity to purchase a "waiver of damages" that relieves the lessee from financial responsibility for certain kinds of damage to the car. (NRS 482.3153, 482.3155-482.31565) Section 5 of this bill authorizes a lessor to exclude from such a waiver any damages or loss attributable to the theft of the leased car if the theft is committed by the lessee or other authorized driver or by a person aided or abetted by such a driver.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
