EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~material~~ is material to be omitted.

AN ACT relating to county fire departments; requiring a board of county commissioners that creates a district for a fire department to adopt an ordinance requiring the imposition and collection of fees for the transportation of sick or injured persons by the department to a medical facility; **mandating that such an ordinance in a county whose population is 400,000 or more limit the number of such transports by the department and require an annual report to the Legislature of the fees charged for, and the number of, such transports;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Existing law requires the board of county commissioners, in a county where a district for
2 a fire department has been created and where the fire department transports sick or injured
3 persons to a medical facility, to adopt an ordinance that either: (1) requires the fire department
4 to impose and collect fees to defray the expenses of furnishing such transportation; or (2)
5 prohibits the imposition and collection of such fees. (NRS 244.2961) **Section 1** of this bill
6 repeals the option of adopting an ordinance prohibiting the imposition and collection of such
7 fees. ~~However, except in counties for which a nonprofit corporation has been granted an
8 exclusive franchise to provide ambulance service, Section 1 also requires that, in a
9 county whose population is 400,000 or more (currently Clark County), such an
10 ordinance limit the number of transports the fire department may make annually to not
11 more than 1,000 transports, with an exception for emergency situations in which a
12 private ambulance is not available.~~ Section 2 of this bill, with respect to a county that has
13 already adopted an ordinance prohibiting the imposition and collection of such fees, allows
14 the county until January 1, 2010, to amend or repeal that ordinance. **Section 3 of this bill**
15 **requires the board of county commissioners of a county whose population is 400,000 or**
16 **more to submit an annual report to the Legislature regarding the number of yearly**
17 **transports made by the fire department and the fees charged for those transports.**

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 244.2961 is hereby amended to read as follows:

2 244.2961 1. The board of county commissioners may by ordinance create a

32 (a) **Limit the number of transports of sick or injured persons to a medical
33 facility that may be made by the fire department to not more than 1,000 such
34 transports per year, except that the fire department may, exclusive of the limit,
35 make any such emergency transport that is necessary for the health or life of a
36 sick or injured person when other ambulance services are not available; and**

37 (b) **Require the fire department to report to the board the total number of
38 transports of sick or injured persons to a medical facility that are made by the fire

40 4. The other officers and employees of the county shall perform duties for the
41 district that correspond to the duties they perform for the county.

42 ~~¶~~ 5. All persons employed to perform the functions of the fire department
43 are employees of the county for all purposes.

44 6. **The provisions of subsection 2 do not apply to any county for which a
45 nonprofit corporation has been granted an exclusive franchise for ambulance
46 service in that county.**

47 **Sec. 2.** A board of county commissioners shall amend any ordinance
48 previously adopted by that body which does not conform with the provisions of
49 NRS 244.2961, as amended by section 1 of this act, by January 1, 2010. Any

1 ordinance that does not comply with NRS 244.2961, as amended by section 1 of
2 this act, by January 1, 2010, shall be deemed to conform with NRS 244.2961, as
3 amended by section 1 of this act, by operation of law.

4 Sec. 3. The board of county commissioners of a county whose population
5 is 400,000 or more shall submit an annual report to the Director of the
6 Legislative Counsel Bureau not later than January 15 of each year for
7 transmittal to the Legislature, if the Legislature is in session that year, or to
8 the Legislative Commission, if the Legislature is not in session that year. The
9 report must include, without limitation:

10 1. The fees charged by the fire department for transport of sick or
11 injured persons to a medical facility; and

12 2. The number of such transports that are made by the fire department
13 each calendar year.

14 See. 3. Sec. 4. This act becomes effective on July 1, 2009.
