AN ACT relating to motor vehicles; prohibiting the waiver of certain examinations of applicants for a Nevada driver's license who are licensed in another jurisdiction but have not attained 21 years of age; providing an exception; establishing fees for the administration of certain examinations for noncommercial drivers' licenses; **establishing a fee for the surrender of a driver's license from another jurisdiction; requiring that certain money collected by the Department of Motor Vehicles be accounted for separately and used only for certain purposes;** and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the Department of Motor Vehicles to waive certain examinations for a person applying for a Nevada driver's license who possesses a valid driver's license of the same type or class issued by another jurisdiction but does not allow such a waiver if the person has not attained 25 years of age. (NRS 483.330) **Section 1** of this bill prohibits such a waiver for a person who has not attained 21 years of age, subject to certain exceptions.

Existing law authorizes the Department to require every applicant for a driver's license to submit to an examination that may include components which test the applicant's knowledge, skills and abilities. (NRS 483.330) **Section 1.5** of this bill requires the Department to charge a fee of \$25 for the administration of the examination for a noncommercial driver's license and a fee of \$10 for each readministration of that examination to the same person. **Section 1.5 further provides that the fee for readministration of the examination does not apply to certain physical and mental examinations.**

Existing law provides that, before a person can obtain a Nevada driver's license, he must surrender to the Department all valid licenses issued by other jurisdictions, and the Department must return those licenses to those jurisdictions. (NRS 483.230) Section 1.5 of this bill requires the Department to charge an administrative fee of \$31.50 for the surrender of such a license by a person who is 21 years of age or older.

Section 1.5 of this bill provides that the money collected by the Department for the administration or readministration of an examination required by NRS 483.330 and the administrative fee for the surrender of a driver's license from a different jurisdiction

21 pursuant to NRS 483.230 must be deposited in the State Highway Fund and maintained
 22 in a separate account. Section 1.5 also requires the Department to use the money in the
 23 account to establish and open an Express Office of the Department in North Las Vegas
 24 and further requires that any money remaining in the account upon the Office being
 25 opened and funded for the 2009-2011 biennium be transferred to the community
 26 development fund for the area in which the Office is located.
