AN ACT relating to charter schools; revising the deadline for submission of an application for renewal of a written charter; revising provisions governing the exemption from annual performance audits for certain charter schools; revising certain annual reports concerning the progress made by charter schools; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill changes the deadline by which a charter school must submit an application for renewal of the written charter from 90 days to 120 days before the expiration of the charter. (NRS 386.530)

A charter school that meets certain requirements, including certain financial and performance standards, is eligible for an exemption from the requirement of an annual performance audit and must instead undergo a performance audit every 3 years. (NRS 386.5515) **Section 2** of this bill provides that if such a charter school no longer satisfies the requirements for an exemption or if ~~good cause~~ reasonable evidence of noncompliance concerning the educational progress exists, the charter school will be required to submit to an annual performance audit. After undergoing the annual performance audit, the charter school may reapply for the exemption.

Existing law requires the board of trustees of a school district and a college or university within the Nevada System of Higher Education which sponsors a charter school to submit an annual report to the State Board of Education on the evaluation of the progress made by the charter school in achieving its educational goals and objectives. (NRS 386.610) Section 3 of this bill requires an annual report to be made by the Department of Education for each charter school sponsored by the State Board.

SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:
