EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~is omitted material~~ is material to be omitted.

AN ACT relating to ~~tow cars~~ motor vehicles; revising certain provisions relating to the towing of vehicles; authorizing an electronic notification to the Department of Motor Vehicles of the transfer of ownership of a motor vehicle; authorizing the Department to provide certain information about the transfer of ownership of a motor vehicle to tow car operators and other interested parties; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 Section 1 of this bill requires the Nevada Transportation Authority to reduce any charge
2 for preparing or satisfying a lien which is filed by the operator of a tow car if the Authority
3 determines that all or part of the charge is attributable to the operator's failure to prepare or
4 satisfy the lien in a timely manner. (NRS 706.4468)

5 ~~Existing law presumes that an abandoned motor vehicle was abandoned by its
6 registered owner. The registered owner is thus responsible for the costs of removing and
7 disposing of the vehicle. Existing law also provides for the rebuttal of this presumption.
8 (NRS 487.220) Section 2 of this bill provides a similar presumption, and opportunity for
9 rebuttal, for the registered owner of a vehicle that is towed at the request of the owner of
10 real property from which the vehicle is towed. (NRS 706.4477)~~

11 Existing law provides that if an operator of a tow car tows a motor vehicle at the request
12 of someone other than the owner, the operator is required to notify the owner of certain
13 information within a particular period of time. (NRS 706.4479) Section ~~2~~ 3 of this bill: (1)
14 requires such information to be provided ~~7 days~~ earlier than the existing law; and (2) adds to
15 the list of the information that must be provided notice to the registered and legal owner of the
16 vehicle as to the actions the owner may take to reduce his liability for any potentially
17 applicable assessments, fees, penalties or other charges ~~and as to the opportunity to~~
18 ~~rebut presumptions about the ownership of a vehicle.~~

19 ~~Section 4 of this bill authorizes a person who transfers ownership of a motor vehicle
20 to notify the Department of Motor Vehicles of the transfer electronically. Section 4 also
21 authorizes the Department to provide information regarding vehicle ownership transfers
22 to tow car operators and other interested parties. (NRS 482.400)~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 706.4468 is hereby amended to read as follows:

2 706.4468 1. Each operator of a tow car shall file its charges for preparing or
3 satisfying a lien to which the operator is entitled against a vehicle that was towed
4 without the prior consent of the owner of the vehicle or the person authorized by
5 the owner to operate the vehicle. The Authority ~~may~~:

6 (a) **May** investigate any charge filed pursuant to this subsection and revise the
7 charge as necessary to ensure that the charge is reasonable.

8 (b) **Shall reduce any charge filed pursuant to this subsection if the Authority
9 determines that the charge is unreasonable because the charge is attributable, in
10 whole or in part, to failure on the part of the operator of the tow car to prepare or
11 satisfy his lien in a timely manner.**

12 2. An operator of a tow car may not impose a charge or any part of a charge
13 filed pursuant to subsection 1 unless the operator:

14 (a) Has initiated the procedure by which a person may satisfy a lien; and

15 (b) Stores the vehicle for at least 96 hours.

16 3. If an operator of a tow car stores a vehicle that was towed without the prior
17 consent of the owner of the vehicle or the person authorized by the owner to
18 operate the vehicle for at least 96 hours but not more than 336 hours, the operator
19 may charge an amount not to exceed 50 percent of the charge approved by the
20 Authority pursuant to subsection 1 for preparing or satisfying a lien.

21 4. If an operator of a tow car stores a vehicle that was towed without the prior
22 consent of the owner of the vehicle or the person authorized by the owner to
23 operate the vehicle for more than 336 hours, the operator may charge an amount not
24 to exceed 50 percent of the charge approved by the Authority pursuant to
25 subsection 1 for preparing or satisfying a lien in addition to the amount charged
26 pursuant to subsection 3.

27 **Sec. 2. NRS 706.4477 is hereby amended to read as follows:**

28 706.4477 I. If towing is requested by a person other than the owner, or an
29 agent of the owner, of the motor vehicle or a law enforcement officer:

30 H **(a)** The person requesting the towing must be the owner of the real
31 property from which the vehicle is towed or his authorized agent and must sign a
32 specific request for the towing. For the purposes of this section, the operator is not
33 an authorized agent of the owner of the real property.

34 H **(b)** The area from which the vehicle is to be towed must be appropriately
35 posted in accordance with state or local requirements.

36 H **(c)** Notice must be given to the appropriate law enforcement agency
37 pursuant to state and local requirements.

38 H **(d)** The operator may be directed to terminate the towing by a law
39 enforcement officer.

40 **2. The registered owner of a motor vehicle towed pursuant to the provisions
41 of subsection 1:**

42 a **Is presumed to have left the motor vehicle on the real property from
43 which the vehicle is towed; and**

44 b **Is responsible for the cost of removal and storage of the motor vehicle.**

45 **3. The registered owner may rebut the presumption in subsection 2 by
46 showing that:**

47 a **He transferred his interest in the motor vehicle;**

48 I **Pursuant to the provisions set forth in NRS 482.399 to 482.420,
49 inclusive; or**

1 (2) As indicated by a bill of sale for the vehicle that is signed by the
2 registered owner; or

3 (b) The vehicle is stolen, if he submits evidence that, before the discovery of
4 the vehicle, he filed an affidavit with the Department or a written report with an
5 appropriate law enforcement agency alleging the theft of the vehicle.

6 ~~See 2~~ Sec. 3. NRS 706.4479 is hereby amended to read as follows:

7 706.4479 1. If a motor vehicle is towed at the request of someone other than

23 assessments, fees, penalties or other charges ~~H~~; and

24 (6) Of the opportunity to rebut the presumptions set forth in NRS
25 487.220 and 706.4477.

26 (b) If the identity of the registered and legal owner is not known or readily
27 available, make every reasonable attempt and use all resources reasonably
28 necessary, as evidenced by written documentation, to obtain the identity of the
29 owner and any other necessary information from the agency charged with the
30 registration of the motor vehicle in this State or any other state within:

31 (1) Twenty-one days after placing the motor vehicle in storage if the motor
32 vehicle was towed at the request of a law enforcement officer following an accident
33 involving the motor vehicle; or

34 (2) Fifteen days after placing any other motor vehicle in storage.

35 → The operator shall attempt to notify the owner of the vehicle by certified mail as

51 transferred and the transferee shall write their signatures with pen and ink upon the
52 certificate of title issued for the vehicle, together with the residence address of the
53 transferee, in the appropriate spaces provided upon the reverse side of the

certificate. The Department may, by regulation, prescribe alternative methods by which a signature may be affixed upon a manufacturer's certificate of origin or a manufacturer's statement of origin issued for a vehicle. The alternative methods must ensure the authenticity of the signatures.

2. Within 5 days after the transfer of the title to, or the interest of an owner in, a vehicle registered or issued a certificate of title under the provisions of this chapter, the person or person whose title or interest is to be transferred may submit electronically to the Department a notice of the transfer. The Department may provide, by request and at the discretion of the Department, information submitted to the Department pursuant to this section to a tow car operator or other interested party. The Department shall adopt regulations establishing:

(a) Procedures for electronic submissions pursuant to this section; and

(b) Standards for determining who may receive information from the Department pursuant to this section.

3. The Department shall provide a form for use by a dealer for the transfer of ownership of a vehicle. The form must be produced in a manner which ensures that the form may not be easily counterfeited. Upon the attachment of the form to a certificate of title issued for a vehicle, the form becomes a part of that certificate of title. The Department may charge a fee not to exceed the cost to provide the form.

~~4.~~ Except as otherwise provided in subsections ~~4, 5 and 6~~ 5, 6 and 7, the transferee shall immediately apply for registration as provided in NRS 482.215 and shall pay the governmental services taxes due.

(b) The wholesale vehicle auctioneer shall be deemed a transferee of the vehicle for the purposes of subsection ~~5~~ 5. The wholesale vehicle auctioneer is not required to comply with subsection 1 if he:

(1) Does not take an ownership interest in the vehicle;

(2) Auctions the vehicle to a vehicle dealer or automobile wrecker who is licensed as such in this or any other state; and

(3) Stamps his name, his identification number as a vehicle dealer and the date of the auction on the certificate of title and the bill of sale and any other documents of transfer for the vehicle.

~~7.~~ A charitable organization which intends to sell a vehicle which has been donated to the organization must deliver immediately to the Department or its agent the certificate of registration and the license plate or plates for the vehicle, if the license plate or plates have not been removed from the vehicle.
