AN ACT relating to gaming; revising the definition of “sports pools”; revising the provisions relating to the operation of gaming salons; **revising the provisions relating to off-track pari-mutuel wagering;** and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law defines a “sports pool” as the business of accepting wagers on sporting events by any system or method of wagering. (NRS 463.0193) The regulations of the Nevada Gaming Commission provide that a “sports pool” means a business that accepts wagers on sporting events or other events. (Regulation 22.010 of the Nevada Gaming Commission) Section 2 of this bill amends the statutory definition to include “other events” within the definition of “sports pool” in a manner consistent with the regulations.

Existing law requires the Commission to adopt regulations setting forth the standards of operation for a gaming salon, including policies and procedures governing **the games offered and** minimum wagers for any game offered, and those regulations must provide that minimum wagers for slot machines must not be less than \$500. (NRS 463.4073) Section 3 of this bill ~~eliminates the requirement~~ provides that the regulations **must not allow more than five slot machines in a gaming salon and** must establish minimum wagers for slot machines of not less than ~~\$500~~ \$50.

**Sections 5 and 7 of this bill clarify that, in addition to authorizing off-track pari-mutuel wagering on horse races, existing law also authorizes off-track pari-mutuel wagering on dog races. (NRS 464.005, 466.095)**

**Existing law authorizes the Commission to appoint an Off-Track Pari-Mutuel Wagering Committee which, if appointed, is required to grant to the Off-Track Pari-Mutuel Wagering Committee the exclusive right to negotiate an agreement relating to off-track pari-mutuel wagering. (NRS 464.020) Section 6 of this bill provides that any agreement negotiated by the Off-Track Pari-Mutuel Wagering Committee with a track relating to off-track pari-mutuel wagering must not set a different rate for intrastate wagers placed on the licensed premises of a race book and wagers placed through the use of communications technology.**
