AN ACT relating to intoxicating liquors; revising provisions relating to alcoholic beverage awareness programs; providing for enforcement of certain provisions by peace officers; revising the distribution of civil fines paid for certain violations; requiring certain reports to be made to the Legislature; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Under existing law, certain employees of certain establishments that sell alcohol must have successfully completed an alcoholic beverage awareness program. The owner of an establishment that is not in compliance must pay an administrative fine, to be imposed by the Department of Taxation. Money from the administrative fines must be divided equally into the Fund for the Compensation of Victims of Crime and the Alcoholic Beverage Awareness Program Account in the State General Fund. (NRS 369.630) **Section 1** of this bill provides that peace officers may enforce the requirements of the provision relating to employees having successfully completed the program by issuing a notice of a civil infraction for violations. **Section 1** also revises the provision for distribution of the money received by the Department for fines from establishments found in violation, providing that instead of depositing 50 percent of the money in the **Fund for the Compensation of Victims of Crime and 50 percent of the money in the** Alcoholic Beverage Awareness Program Account, 50 percent of the money must be deposited in the **Account for Aid for Victims of Domestic Violence and 50 percent of the money must be deposited in the** account created in the State General Fund for the support of community juvenile justice programs and must be used only to enforce laws that prohibit the purchase, consumption or possession of alcoholic beverages by persons under the age of 21 years.

Section 2 of this bill requires each recipient of money from the collection of fines for civil infractions to submit a report to the Legislature concerning the amount of money received and how the money was used. In addition, certain law enforcement agencies and the Department of Taxation are required to submit a report to the Legislature concerning the enforcement of the provisions requiring employees to participate in an alcoholic beverage awareness program.

Section 4 of this bill requires the Legislative Auditor to conduct an audit of any fines imposed pursuant to NRS 369.630 after July 1, 2007.
