EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

AN ACT relating to education; requiring the development of an academic plan for pupils enrolling in their initial year at a middle school or junior high school; requiring small learning communities in certain larger middle schools and junior high schools; requiring a program of peer **[and adult]** mentoring for pupils initially enrolling in middle school or junior high school; requiring **[to pupil] the board of trustees of each school district to adopt a policy for pupils** enrolled in middle school or junior high school to conduct **[at least one] a pupil-led** conference on **[his]** educational progress; and providing other matters properly relating thereto.

1           **Legislative Counsel's Digest:**

2           Existing law requires the board of trustees of each school district to adopt a policy for  
3           each public school in the school district in which ninth grade pupils are enrolled to develop a  
4           4-year academic plan for each of those pupils. (NRS 388.205) **Section 2** of this bill requires  
5           the board of trustees of each school district to adopt a policy for each middle school and junior  
6           high school in the school district to develop an academic plan for each incoming middle  
7           school or junior high school pupil.

8           Existing law requires the board of trustees of each school district that includes at least one  
9           high school in which 1,200 pupils or more are enrolled and that includes ninth grade pupils to  
10          adopt a policy for each of those high schools to provide a program of small learning  
11          communities for the ninth grade pupils. (NRS 388.215) **Section 3** of this bill requires the  
12          board of trustees of each school district that includes at least one middle school or junior high  
13          school in which 500 pupils or more are enrolled to adopt a policy for each of those middle  
14          schools and junior high schools to provide a program of small learning communities for the  
15          incoming middle school or junior high school pupils.

16          **Section 5** of this bill requires the board of trustees of each school district to adopt a policy  
17          for peer **[and adult]** mentoring, **[which may include a component of adult mentoring]**, for  
18          incoming middle school and junior high school pupils designed to increase the ability of those  
19          pupils to successfully make the transition from elementary school to middle school or junior  
20          high school.

21          **Section 6** of this bill requires the board of trustees of each school district to adopt a policy  
22          **[that requires a pupil] for pupils** enrolled in a middle school or junior high school to conduct  
23          **[if required by the board of trustees, a pupil-led]** conference between the pupil, his parent or

23 legal guardian and his teacher to review the educational development of the pupil ~~at least once during the enrollment of the pupil in the middle school or junior high school.~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1      **Section 1.** Chapter 388 of NRS is hereby amended by adding thereto the  
2 provisions set forth as sections 2 and 3 of this act.

3      **Sec. 2. 1. The board of trustees of each school district shall adopt a policy**  
4 **for each middle school and junior high school in the school district to develop an**  
5 **academic plan for each pupil enrolled in the grade level at which the middle**  
6 **school or junior high school initially enrolls pupils. The academic plan must set**  
7 **forth:**

8      (a) *The specific educational goals that the pupil intends to achieve before*  
9 *promotion to high school;*

10     (b) *An identification of the courses required for promotion to high school;*

11     (c) *An identification of all honors courses, career and technical education*  
12 *courses and other educational programs, courses and pathways available to the*  
13 *pupil which will assist in the advancement of the education of the pupil; and*

14     (d) *A description of the expectations of the teachers of pupils who are*  
15 *enrolled in middle school or junior high school.*

16     2. *The policy must require each pupil enrolled in his initial year at the*  
17 *middle school or junior high school and the pupil's parent or legal guardian to:*

18       (a) *Have sufficient opportunities to work in consultation with a school*  
19 *counselor to develop an academic plan for the pupil;*

20       (b) *Review the academic plan; and*

21       (c) *Review the academic plan at least once each school year until the pupil is*  
22 *promoted to high school in consultation with the school counselor and revise the*  
23 *plan as necessary.*

24     3. *If a pupil enrolls in a middle school or junior high school after the initial*  
25 *year of enrollment for that middle school or junior high school, an academic plan*  
26 *must be developed for that pupil with appropriate modifications for the grade*  
27 *level of the pupil.*

28     4. *An academic plan for a pupil must be used as a guide for the pupil and*  
29 *the pupil's parent or legal guardian to plan, monitor and manage the pupil's*  
30 *educational development and make determinations of the appropriate courses of*  
31 *study for the pupil. If the pupil does not satisfy all the educational goals set forth*  
32 *in the academic plan, the pupil is eligible for promotion to high school if he*  
33 *otherwise satisfies the requirements for promotion to high school.*

34      **Sec. 3. 1. The board of trustees of each school district which includes at**  
35 **least one middle school or junior high school with an enrollment of 500 pupils or**  
36 **more shall adopt a policy for each of those middle schools and junior high**  
37 **schools to provide a program of small learning communities for pupils enrolled**  
38 **in the grade level at which those middle schools or junior high schools initially**  
39 **enroll pupils. The policy must require:**

40       (a) *Where practicable, the designation of a separate area geographically*  
41 *within the middle school or junior high school where the pupils enrolled in their*  
42 *initial year at the middle school or junior high school attend classes;*

43       (b) *The collection and maintenance of information relating to pupils*  
44 *enrolled in their initial year at the middle school or junior high school, including,*

1       without limitation, credits earned, attendance, truancy and indicators that a pupil  
2       may be at risk of dropping out of middle school or junior high school;

3           (c) Based upon the information collected pursuant to paragraph (b), the  
4       timely identification of any special needs of a pupil enrolled in his initial year at  
5       the middle school or junior high school, including, without limitation, any need  
6       for programs of remedial study for a particular subject area and appropriate  
7       counseling;

8           (d) Methods to increase the involvement of parents and legal guardians of  
9       pupils enrolled in their initial year in a middle school or junior high school in the  
10      education of their children; and

11           (e) The assignment of:

12              (1) Guidance counselors;

13              (2) At least one licensed school administrator ~~or his~~ or his designee; and

14              (3) Appropriate adult mentors,

15       ↳ specifically for the pupils enrolled in their initial year at the middle school or  
16       junior high school.

17           2. The principal of each middle school or junior high school in which 500  
18       pupils or more are enrolled shall:

19              (a) Carry out a program of small learning communities in accordance with  
20       the policy prescribed by the board of trustees pursuant to subsection 1; and

21              (b) Submit an annual report, on a date prescribed by the board of trustees,  
22       that sets forth the specific strategies, programs and methods which are used to  
23       focus on the pupils enrolled in their initial year at the middle school or junior  
24       high school, including, without limitation, the program of ~~peer and adult~~  
25       mentoring provided pursuant to section ~~44~~ 5 of this act.

26       Sec. 4. Chapter 392 of NRS is hereby amended by adding thereto the  
27       provisions set forth as sections 5 and 6 of this act.

28       Sec. 5. 1. The board of trustees of each school district shall adopt a policy  
29       for each middle school and junior high school in the school district to provide a  
30       program of peer ~~and~~ mentoring, which may include a component of adult  
31       mentoring, for pupils enrolled in the grade level at which the middle school or  
32       junior high school initially enrolls pupils. The policy must be designed to  
33       increase the ability of those pupils to successfully make the transition from  
34       elementary school to middle school or junior high school.

35           2. The principal of each middle school or junior high school shall:

36              (a) Carry out a program of ~~peer and adult~~ mentoring in accordance with  
37       the policy adopted by the board of trustees pursuant to subsection 1; and

38              (b) Submit an annual report to the board of trustees on:

39                  (1) The specific activities of the program of ~~peer and adult~~ mentoring;  
40       and

41                  (2) The effectiveness of the program of ~~peer and adult~~ mentoring in  
42       increasing the ability of pupils to successfully make the transition to middle  
43       school or junior high school.

44           3. This section does not prohibit a middle school or junior high school from  
45       continuing any other similar program of mentoring that the middle school or  
46       junior high school currently provides in a manner that is consistent with the  
47       policy prescribed by the board of trustees.

48       Sec. 6. 1. The board of trustees of each school district shall adopt a policy  
49       ~~that requires~~ which allows the board of trustees to require a pupil enrolled in a  
50       middle school or junior high school in the school district to conduct a pupil-led  
51       conference between the pupil, his parent or legal guardian and his teacher to  
52       review the educational development of the pupil at least once during the

1       *enrollment of the pupil in the middle school or junior high school. The policy  
2 must include, without limitation:*

3       *(a) Guidelines for preparing the pupil to conduct the conference, including,  
4 without limitation, the appropriate structure of a conference and topics of  
5 discussion for the conference; and*

6       *(b) A method for the pupil, his parent or legal guardian and the teacher to  
7 provide an evaluation of the conference.*

8       *2. If a pupil is required to conduct a pupil-led conference, which is  
9 conducted by a pupil, the conference must be used as a guide for the pupil and  
10 the parent or legal guardian of the pupil to monitor the pupil's educational  
11 development. If the pupil does not conduct a pupil-led conference or if the parent  
12 or legal guardian of the pupil does not attend a pupil-led conference, the pupil is  
13 eligible for promotion to high school if he otherwise satisfies the requirements for  
14 promotion to high school.*

15      Sec. 7. This act becomes effective on July 1, 2009.
