FISCAL NOTE: Effect on Local Government: No.

Effect on the State: No.

EXPLANATION - Matter in bolded italics is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to the protection of children; making various changes concerning the investigation of applicants for a license to operate a child care facility, licensees and others over whom applicants or licensees exercise some control; requiring applicants and licensees to terminate certain employees and remove certain residents and participants in outdoor youth programs who have been convicted of certain crimes or who have had a substantiated report of child abuse or neglect made against them; expanding the grounds for denying a license and for taking other disciplinary action against a licensee; authorizing the imposition of administrative fines for violations of certain laws and regulations concerning licensure of child care facilities; and providing other matters properly relating thereto.

## Legislative Counsel's Digest:

Existing law provides for the licensure of certain child care facilities. (NRS 432A.131-432A.220) As part of the process for obtaining a license, the Bureau of Services for Child Care of the Division of Child and Family Services of the Department of Health and Human Services conducts a background check of each applicant for a license, licensee, employee of an applicant or licensee and every resident of a child care facility or participant in an outdoor youth program who is 18 years of age or older. (NRS 432A.170, 432A.175) Section 5 of this bill expands the list of crimes that the Bureau must inquire about as part of such an investigation and requires the Bureau to request information concerning every applicant, licensee, employee, resident or participant from the Statewide Central Registry for the Collection of Information Concerning the Abuse or Neglect of a Child to determine whether there has been a substantiated report of child abuse or neglect made against any of those persons. (NRS 432A.170) Section 6 of this bill requires the Bureau to obtain permission from each such applicant, licensee, employee, resident or participant to obtain such information from the Statewide Central Registry. (NRS 432A.175) If an employee of an applicant or licensee, or a resident or participant, has been convicted of one of the crimes inquired about as part of the investigation, the Bureau is required to notify the applicant or licensee. Upon

receiving such notice, **section 2** of this bill requires the applicant or licensee to terminate the employment of the employee, remove the resident from the child care facility or remove the participant from the outdoor youth program, as applicable, after affording the person an opportunity to correct the information. **Section 6** further requires an applicant or licensee to notify the Bureau when the applicant, licensee, employee, resident or participant is involved in certain legal proceedings or disciplinary hearings or charged with certain crimes. (NRS 432A.175)

Section 4 of this bill prohibits the Bureau from issuing a provisional license to operate a child care facility unless the Bureau has completed an investigation into the qualifications and background of the applicant and his employees to ensure that they have not been convicted of certain crimes or had a substantiated report of child abuse or neglect made against them. (NRS 432A.160)

**Section 7** of this bill expands the grounds for denial of an application for a license to operate a child care facility and for taking disciplinary action against a licensee and authorizes the Bureau to impose administrative fines for a violation of the statutes governing licensure of child care facilities or the regulations adopted pursuant thereto. (NRS 432A.190)
