S.B. No. 108—Requires the placement of solid markers on lode mining claims.
(BDR 46-498)

SENATE BILL NO. 108—COMMITTEE ON NATURAL RESOURCES

(ON BEHALF OF THE LEGISLATIVE COMMITTEE ON PUBLIC LANDS)

PREFILED DECEMBER 31, 2008

Referred to Committee on Natural Resources

SUMMARY—~~Required~~ Revises provisions governing the placement of ~~solid~~ markers on lode mining claims. (BDR 46-498)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to mining claims; providing that a hollow metal post which is used as a valid legal monument to mark the boundaries of a lode mining claim must meet certain requirements; requiring the replacement of durable plastic pipe ~~and hollow metal post markers with solid metal post markers~~ on lode mining claims; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes the use of hollow metal posts and durable plastic pipe to define the boundaries of a lode mining claim if the post or pipe is securely capped with no open perforations. (NRS 517.030) This bill provides that a hollow metal post which is used to mark the boundaries of a lode mining claim must be ~~solid~~ securely capped or crimped in a manner that securely closes the top of the post and have no open perforations. ~~and~~ This bill also provides that any ~~hollow~~ metal post~~s~~ durable plastic pipe used to mark a claim must be replaced on or before ~~July 1, 2010.~~ November 1, 2011. After that date, any such durable plastic pipe may be removed and placed adjacent to the location from which it is removed.

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

1 **Section 1.** NRS 517.030 is hereby amended to read as follows:

2 517.030 1. Within 60 days after posting the notice of location, the locator of
3 a lode mining claim shall distinctly define the boundaries of the claim by placing a
4 valid legal monument at each corner of the claim. A valid legal monument may be
5 created by:

6 (a) ~~Removing the top of~~ Blazing and marking a tree, which has a diameter of
7 not less than 4 inches, not less than 3 feet above the ground; ~~; and blazing and~~
8 ~~marking it;~~

1 (b) Capping a rock in place with smaller stones so that the rock and stones
2 have a height of not less than 3 feet; or

3 (c) Setting a wooden or metal post or a stone.

4 2. If a wooden post is used, the dimensions of the post must be at least 1 1/2
5 inches by 1 1/2 inches by 4 feet, and the post must be set 1 foot in the ground.

6 3. If a metal post is used, the post must be ~~solid, be~~ at least 2 inches in
7 diameter by 4 feet in length ~~1~~ and ~~it must~~ be set 1 foot in the ground. If the metal
8 post is hollow, it must be:

9 (a) Be securely capped ~~1~~ or crimped in a manner that securely closes the top
10 of the post; and

11 (b) Have no open perforations.

12 4. If it is practically impossible, because of bedrock or precipitous ground, to
13 sink a post, it may be placed in a mound of earth or stones. If the proper placing of
14 a monument is impracticable or dangerous to life or limb, the monument may be
15 placed at the nearest point properly marked to designate its right place.

16 5. If a stone is used which is not a rock in place, the stone must be not less
17 than 6 inches in diameter and 18 inches in length ~~1~~ and ~~it must~~ be set with two-
18 thirds of its length in the top of a mound of earth or stone 3 feet in diameter and 2
19 1/2 feet in height.

20 6. ~~Durable~~ Except as otherwise provided in subsection ~~8,~~ 7, a durable
21 plastic pipe that was set before March 16, 1993, for the purpose of defining the
22 boundaries of a lode mining claim shall be deemed to constitute a valid legal
23 monument if:

24 (a) The pipe is at least 3 inches in diameter by 4 feet in length ~~1~~ and ~~the pipe~~
25 is set 1 foot in the ground; and

26 (b) The pipe is securely capped with no open perforations.

27 7. ~~Except as otherwise provided in subsection 8, a hollow metal post that~~
28 ~~was set before July 1, 2009, for the purpose of defining the boundaries of a lode~~
29 ~~mining claim shall be deemed to constitute a valid legal monument if:~~

30 (a) ~~The post is at least 2 inches in diameter by 4 feet in length and is set 1~~
31 ~~foot in the ground; and~~

32 (b) ~~The post is securely capped with no open perforations.~~

33 8. The locator of a lode mining claim located before March 16, 1993, the
34 boundaries of which are defined by a durable plastic pipe described in subsection
35 6, for a lode mining claim located before July 1, 2009, the boundaries of which
36 are defined by a hollow metal post described in subsection 7, or his successor in
37 interest, ~~may~~ shall, on or before ~~July 1, 2010,~~ November 1, 2011, remove the
38 durable plastic pipe ~~described in subsection 6~~ for the hollow metal post and
39 replace the monument of location and the corner monuments with valid legal
40 monuments in the manner prescribed pursuant to subsection 1. ~~The~~ If the locator
41 or his successor in interest ~~is not required to replace a monument located at the~~
42 ~~center of a side line.~~ ~~Within~~ replaces the durable plastic pipe on or before that
43 date, the locator or his successor in interest shall, within 60 days after the
44 replacement, ~~the locator of the lode mining claim, or his successor in interest,~~
45 ~~shall~~ record a notice of remonumentation with the county recorder of the county in
46 which the claim is located and pay the fee required by NRS 247.305. The notice
47 must contain:

48 (a) The name of the claim;

49 (b) The book and page number or the document number of the certificate of
50 location or the most recent amendment to the certificate of location;

51 (c) The book and page number or the document number of the map filed
52 pursuant to NRS 517.040; and

1 (d) A description of the monument used to replace each monument that is
2 removed.

3 ➔ The notice may include more than one claim.

4 8. After November 1, 2011, any durable plastic pipe that is not removed
5 pursuant to subsection 7 may be removed and placed on the ground immediately
6 adjacent to the location from which it is removed to preserve evidence of its use
7 as a monument for the lode mining claim.

8 9. The replacement of a durable plastic pipe ~~for a hollow metal post~~ or the
9 recording of a notice pursuant to subsection 7 ~~10~~ does not:

10 (a) Amend or otherwise affect the legal validity of the claim for which the
11 monuments were created;

12 (b) Modify the date of location of the claim; or

13 (c) Require the filing of an additional or amended map pursuant to
14 NRS 517.040.

15 **Sec. 2.** This act becomes effective on July 1, 2009.
