AN ACT relating to senior citizens; revising the ~~maximum amount of property tax assistance that is available for certain senior citizens;~~ provisions governing refunds of property taxes for senior citizens who meet certain requirements; revising the methods for calculating the amount of such a refund and the maximum allowable income to qualify for such a refund; requiring a county assessor who receives a claim for such a refund to determine the amount of the property taxes accrued on the property; requiring the amount of the property taxes accrued on the property to be reduced by certain exemptions under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Existing law authorizes a senior citizen who is at least 62 years of age and whose household income does not exceed a certain amount to receive a refund of all or a portion of the property tax accrued against his home. If the senior citizen owns his home, the amount of the refund must not exceed the amount of the accrued property tax or \$500, whichever is less. (NRS 427A.515) **Section 1** of this bill increases the maximum refund for such a senior citizen to ~~the amount of the accrued property tax or \$1,000, whichever is less,~~ account for inflation and revises the method of calculating the maximum household income allowable to qualify for such a refund to clarify the formula used to account for inflation.

If the senior citizen rents his home, the amount of the refund must not exceed an amount equal to that portion of the rent which is deemed to constitute the accrued property tax on the rental property. (NRS 427A.520) Currently, 8.5 percent of the total annual rent paid by such a senior citizen is deemed to constitute accrued property tax. (NRS 427A.525) **Section 2** of this bill revises the amount of rent that is deemed to constitute accrued property tax to an amount equal to 8.5 percent of the total annual rent paid for the year or ~~\$1,000~~, \$500, as adjusted for inflation, whichever is less.

~~Existing law provides that a senior citizen who wishes to claim a refund of the property taxes accrued on his home may file a claim for a refund with the county assessor of the county in which the home is located. Within 30 days after receiving the claim, the county assessor is required to determine the assessed valuation of the property~~

20 ~~to which the claim applies. (NRS 427A.530) Section 3 of this bill deletes the requirement
21 that the county assessor determine the assessed valuation of the property and instead
22 requires him to determine the amount of the property taxes accrued on the property.~~

23 Existing law requires the assessed valuation of any property that is used to
24 determine the amount of a refund of the accrued taxes on the property for senior citizens
25 to be reduced by the amount of any property tax exemption received by a person who is
26 a surviving spouse of a senior citizen or a person who is blind or is a veteran. (NRS
27 427A.545) Section 4 of this bill requires a reduction in the amount of the property taxes
28 accrued on the property in lieu of a reduction in the amount of the assessed valuation of
29 the property.

30 Existing law requires all claims against the Senior Citizens' Property Tax Assistance
31 Account to be certified by the Chief of the Aging Services Division of the Department of
32 Health and Human Services or his designee. If a claim is so certified and the State Board
33 of Examiners approves the claim, the State Controller is required to draw his warrant
34 against the Account. (NRS 427A.595) Section 5 of this bill deletes the requirement for
35 approval of the claim by the State Board of Examiners.

36 Sections 6 and 7 of this bill cause the provisions of sections 3, 4 and 5 of this bill to apply
37 beginning with the current tax year and sections 1 and 2 of this bill to apply
38 beginning with the 2011-2012 tax year.
