EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~[omitted material]~~ is material to be omitted.

AN ACT relating to local governmental planning; providing for the construction of bus turnouts at certain locations in certain counties; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, the regional transportation commission in a county whose population is 400,000 or more (currently Clark County) has the authority to provide for the construction and maintenance of benches and shelters for passengers of public mass transportation. (NRS 373.1183) Additionally, the regional transportation commission is required to work with the regional planning coalition concerning plans for capital improvements. (NRS 278.02584)

**Section 1** of this bill requires that the regional transportation commission in a county whose population is 400,000 or more designate, on or before December 31, 2009, 10 bus stops at which a bus turnout—an area for loading and unloading passengers outside of the lanes of traffic—must be constructed by December 31, 2012. Such a bus turnout must be constructed on land owned by the State or a local government. The commission must fund the construction of the bus turnout. ~~[On and after January 1, 2012, section 4 of this bill provides that the commission may designate annually up to four locations at which a bus turnout must be constructed within 1 year. Pursuant to section 4, the county and the three largest incorporated cities within the county would each fund the construction of one of the four bus turnouts.]~~

THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN  
SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

**Section 1.** Chapter 278 of NRS is hereby amended by adding thereto a new section to read as follows:
