## SENATE BILL NO. 312—SENATOR MATHEWS

MARCH 16, 2009

Referred to Committee on Energy, Infrastructure and Transportation

SUMMARY—Revises provisions governing ~~uninsured motorists;~~ the verification of motor vehicle liability insurance policies by the Department of Motor Vehicles. (BDR 43-286)

FISCAL NOTE: Effect on Local Government: No.  
Effect on the State: No.

~

EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to motor vehicles; revising provisions ~~relating to~~ governing the verification of motor vehicle liability insurance ~~for motor vehicles;~~ policies by the Department of Motor Vehicles; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law requires ~~that~~ every owner of a motor vehicle which is registered or required to be registered in this State ~~be covered by a policy of liability insurance;~~ to continuously provide insurance for the payment of tort liabilities arising from the maintenance or use of the motor vehicle. (NRS 485.185) ~~[The Department of Motor Vehicles maintains a database for verifying that owners of motor vehicles maintain liability insurance. (NRS 485.313)]~~

~~—The Department is required to verify monthly that each motor vehicle which is registered in the State is covered by a policy of liability insurance.~~ Existing law also requires the Department to create a system to verify that owners of motor vehicles, other than golf carts and larger motortrucks, truck tractors and buses, maintain the required liability insurance. (NRS 485.130, 485.313) Section 4 of this bill adds provisions: (1) requiring the Department to work in cooperation with insurers to develop the system; (2) requiring that the verification be conducted through the secure transmission and receipt of information necessary to verify that owners of motor vehicles maintain the required liability insurance; (3) authorizing the Department to contract with any person to provide services relating to the system; and (4) making the system applicable to all motortrucks, truck tractors and buses.

~~—If the Department determines that a motor vehicle is not covered by a policy of liability insurance, (the) existing law requires the Department (must) to send a form for verification of liability insurance to the owner of the vehicle. [This bill requires the owner to return the verification form to the Department within 15, rather than 20, days after the date on which the verification form was mailed to the owner by the Department. If the owner does not return the verification form to the Department within 15 days, this bill requires the Department to send, by certified mail, a notice that informs the owner that unless he submits a completed verification form to the Department within 10, rather than 15, days, the Department will suspend the vehicle registration.] Section 7 of this bill amends the provisions relating to the Department's process for verifying whether the owner of the vehicle maintains liability insurance. (NRS 485.317)~~

Existing law provides that an owner of certain motor vehicles who provides proof of liability insurance provided by an insurance company that is not approved to do business in this State may register the motor vehicle and have 7 calendar days to provide proof of liability by an insurance company that is licensed and approved to do business in this State. (NRS 482.215) Section 2 of this bill removes the provision allowing an owner 7 calendar days to provide proof of liability insurance by an insurance company that is licensed and approved to do business in this State. Existing law further provides that the owner of a fleet of motor vehicles and certain other motor vehicles must provide evidence of liability insurance on a form that is satisfactory to the Department. (NRS 482.215) Section 2 specifies that such liability insurance must be provided by an insurance company licensed and approved to do business in this State. Section 5 of this bill deletes provisions of existing law that prescribe the specific form and content of the records of motor vehicle liability policies which insurers must provide to the Department. (NRS 485.314)
