AN ACT relating to land use planning; revising provisions relating to the appeal of land use decisions; and providing other matters properly relating thereto.

**Legislative Counsel’s Digest:**

1 Under existing law, the governing body of each city and county is required to adopt an  
 2 ordinance providing that an aggrieved person may appeal the decision of a planning  
 3 commission, board of adjustment, hearing examiner or other similar official. ~~(1) to the~~  
 4 governing body. (NRS 278.3195) A person who is aggrieved by a decision of the  
 5 governing body concerning that appeal may then appeal the decision of the governing  
 6 body to the district court by filing a petition for judicial review. This bill ~~(1) revises the~~  
 7 ~~terminology used in existing law concerning the rights of a person who has appeared before a~~  
 8 ~~planning commission, board of adjustment, hearing examiner or other similar official; and (2)~~  
 9 authorizes an aggrieved person to appeal the decision of a governing body that considered a  
 10 recommendation of a planning commission, board of adjustment, hearing examiner or other  
 11 similar official or a decision of a governing body which was made without the necessity of a  
 12 decision or recommendation by a planning commission, board of adjustment, hearing  
 13 examiner or other similar official. Solely within the confines of a county whose population is  
 14 400,000 or more (currently Clark County), this bill ~~(re)defines~~ also provides that, for the  
 15 purpose of determining whether a person who is seeking judicial review of a decision of  
 16 a governing body is an “aggrieved person” [as a person] who ~~(1) may seek such judicial~~  
 17 review of the decision; (1) the person shall be deemed not to be aggrieved unless the  
 18 person appeared before the governing body, planning commission, board of adjustment,  
 19 hearing examiner or other similar official on the matter which is the subject of the decision  
 20 and fully set forth his position and the grounds in support of his position; and (2)  
 21 inferred an injury as a result of the decision that has a substantial adverse effect on the  
 22 person’s property or other legal rights. (NRS 278.3195) the person shall not be deemed to  
 23 be aggrieved on the basis that the decision he is appealing may increase or create  
 24 competition which he claims may be detrimental to his property rights or other legal  
 25 interests.
