AN ACT relating to medical professions; ~~revising the process for appointing members of~~ requiring the Board of Medical Examiners, the Board of Homeopathic Medical Examiners and the State Board of Osteopathic Medicine ~~to require these boards~~ to retain copies of acknowledgments by members of the boards related to conflict of interest provisions; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Existing law authorizes the Governor to appoint the members of the Board of Medical Examiners, the Board of Homeopathic Medical Examiners and the State Board of Osteopathic Medicine. (NRS 620.050, 620A.100, 622.181) Sections 3, 6 and 9 of this bill revise the appointment process to allow nominations for board positions from certain sources. Sections 2, 6 and 9 also allow the Legislative Committee on Health Care to investigate the persons nominated and report to the Governor on these nominations. In addition, sections 3, 6 and 9 require the Governor to select a person to appoint from the list of persons nominated unless too few persons are nominated or the Legislative Committee on Health Care fails to transmit the list within a certain time.]

Existing law requires all public officers to read and understand statutory ethical standards and to acknowledge such on a form prescribed by the Commission on Ethics. (NRS 281A.500) **Sections 4, 7 and 10** of this bill clarify that these requirements apply to members of the Board of Medical Examiners, the Board of Homeopathic Medical Examiners and the State Board of Osteopathic Medicine. **Sections 4, 7 and 10** also require that the Executive Director of the Board of Medical Examiners, the Secretary-Treasurer of the Board of Homeopathic Medical Examiners and the Executive Director of the State Board of Osteopathic Medicine retain copies of the acknowledgment required pursuant to NRS 281A.500.
