EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

SENATE CONCURRENT RESOLUTION—Providing for an interim study on employee misclassifications.

1 WHEREAS, Certain employers in Nevada may improperly classify persons they
2 hire as “independent contractors,” when those workers should be classified legally
3 as “employees”; and

4 WHEREAS, The practice of employee misclassification can be an attempt by
5 some employers to avoid their legal obligations under federal and state labor,
6 employment and tax laws, including the laws governing minimum wage, overtime,
7 unemployment insurance, workers’ compensation insurance, temporary disability
8 insurance, wage payment and federal income tax; and

9 WHEREAS, The practice of employee misclassification has serious adverse
10 effects on the residents, businesses and economy of Nevada because this practice:
11 (1) increases the uncertainty of collecting unemployment taxes; (2) unfairly shifts
12 the tax burden to the overwhelming majority of Nevada employers who adhere to
13 federal and state labor laws; (3) allows employers who misclassify their employees
14 an unfair competitive advantage over law-abiding businesses; and (4) undermines
15 fundamental laws intended to ensure employees receive legally required
16 employment insurance, workers’ compensation and other workplace protections;
17 now, therefore, be it

18 RESOLVED BY THE SENATE OF THE STATE OF NEVADA, THE ASSEMBLY

22 for employees and lost revenues for this State and for local governments, proposals
23 for state processes to identify employee misclassification, potential penalties for

25 employees; and be it further

27 follows:

- 28 1. One member of the Senate;
