SUMMARY—Provides for the Interim Finance Committee to conduct a review of Nevada's revenue structure and to provide long-term stabilization of revenue. (BDR R-1334)

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets **[omitted material]** is material to be omitted.

SENATE CONCURRENT RESOLUTION—Providing for the Interim Finance Committee to conduct a review of Nevada's revenue structure and to provide long-term stabilization of revenue.

1 WHEREAS, A prolonged recession has left Nevada with a large general fund
2 deficit; and

3 WHEREAS, Nevada's existing state revenue sources are insufficient to fund
4 essential state services such as education, health and human services and public
5 safety programs; and

6 WHEREAS, Nevada's 2009-2011 budget includes nonrecurring federal stimulus
7 funds and tax revenues that will sunset on June 30, 2011; and

8 WHEREAS, It is essential that the State in the future have a stable, equitable,
9 transparent and competitive revenue system; and

10 WHEREAS, It is vital that policymakers not be unduly constrained by the current
11 distribution of public revenues or the current mixture of public revenue sources in
12 making decisions regarding the State's fiscal system; and

13 WHEREAS, It is in the best interest of Nevada that the State's revenue system
14 reflect the long-term needs of the State, the diversity of Nevada's economy and
15 nationally recognized best practices; now, therefore, be it

16 RESOLVED BY THE SENATE OF THE STATE OF NEVADA, THE ASSEMBLY
17 CONCURRING, That the Interim Finance Committee shall appoint a Subcommittee
18 to conduct a review of Nevada's revenue structure and to provide long-term
19 stabilization of revenue. The Subcommittee shall carry out the following functions:

20 1. Review proposals for broad-based taxes which are fair and equitable;
21 2. Examine strategies for mitigating tax burdens on both businesses and
22 consumers, including reductions, if possible, in existing taxes, both state and local;

23 3. Consider the public's willingness to having existing taxes be decreased as
24 other tax revenues become available;

25 4. Using current statistical information, propose strategies and
26 recommendations to advance the State of Nevada in nationwide rankings in key

1 quality-of-life areas, including education, health and human services, public safety,
2 economic diversification, job creation, transit and energy use; and

3 5. Develop a quality-of-life vision for the State of Nevada for a 5-year period,
4 a 10-year period and a 20-year period; and be it further

5 RESOLVED, That the Subcommittee shall appoint a Nevada Vision Stakeholder
6 Group, with members selected from a list of names submitted by community and
7 statewide groups involved in business, education, health care, human services,
8 economic development, transit and energy, or any other groups deemed appropriate
9 by the Subcommittee, to assist in developing 5-year, 10-year and 20-year strategic
10 plans for improving the State's quality of life; and be it further

11 RESOLVED, That, **with money available for this purpose**, the Interim Finance
12 Committee shall, through competitive bidding, retain the services of a qualified,
13 independent consultant to review Nevada's public revenue structure and make
14 recommendations to the Interim Finance Committee relating to:

15 1. The allocation of revenue from taxation and other sources between the
16 State and local governments;

17 2. The adequacy of the revenue sources of the State and local governments
18 and each level of government in supplying sufficient revenue for the services
19 provided by the respective governments and governmental agencies;

20 3. The relative stability of the revenue sources of the State and local
21 governments and each level of government and each governmental agency;

22 4. The degree to which the revenue sources of the State and local
23 governments reflect the current economic activity of the State;

24 5. The degree to which the revenue sources of the State and local
25 governments are representative of the way business is conducted today relative to
26 administration and compliance;

27 6. The extent to which the earmarking of various revenue sources has
28 removed flexibility in efficiently allocating those revenue sources;

29 7. The extent to which the revenue sources of state and local governmental
30 agencies increase in proportion to increased population and the corresponding
31 increased demand for the services provided by the respective governments and
32 governmental agencies;

33 8. Any recommendations to improve the equity of the allocation of revenue
34 and the stability of the sources of revenue for State Government and the various
35 local governmental entities and changes which will improve the flexibility,
36 collection and administration of existing revenue sources; and

37 9. Any other matters that the Interim Finance Committee deems necessary to
38 improve the equity, stability, transparency and competitiveness of the State's tax
39 system; and be it further

40 RESOLVED, That in conjunction with the revenue stabilization study process,
41 the consultant shall:

42 1. Collect independent data on Nevada's national rankings in quality-of-life
43 areas; and

44 2. Coordinate with the Nevada Vision Stakeholder Group to develop
45 strategies to advance Nevada's national standing in critical quality-of-life areas; and
46 be it further

47 RESOLVED, That the consultant shall deliver a report of his findings concerning
48 revenue stabilization to the Interim Finance Committee on or before July 1, 2010,
49 which must include specific recommendations as well as the impact of
50 implementing those recommendations on the State, local governments and various
51 types of businesses, including, without limitation, large and small businesses,
52 capital-intensive and labor-intensive businesses and high-margin and low-margin
53 businesses and as well the impact on the general population; and be it further

1 RESOLVED, That the consultant shall deliver a report of his findings concerning
2 quality-of-life areas to the Interim Finance Committee on or before July 1, 2010,
3 including, without limitation, proposed strategies and recommendations from the
4 Nevada Vision Stakeholder Group in key areas such as education, health and
5 human services, public safety, economic diversification, job creation, transit and
6 energy use; and be it further

7 ~~Resolved, That the Interim Finance Committee shall allocate money from the
8 Contingency Fund to pay for the services of the consultant; and be it further~~

9 RESOLVED, That the Interim Finance Committee shall hold at least two public
10 hearings to evaluate the findings of the consultant; and be it further

11 RESOLVED, That the Subcommittee shall create a Technical Working Group
12 consisting of the Senate Fiscal Analyst, the Assembly Fiscal Analyst, the Chief of
13 the Budget Division of the Department of Administration, the Executive Director of
14 the Department of Taxation, the Vice Chancellor of Finance of the Nevada System
15 of Higher Education, the Deputy Superintendent of Administrative and Fiscal
16 Services of the Department of Education and the Chairman of the Committee on
17 Local Government Finance; and be it further

18 RESOLVED, That the Subcommittee shall direct the Technical Working Group
19 to ensure that the State is prepared to implement, on or before July 1, 2011, revenue
20 stabilization recommendations accepted and forwarded by the Subcommittee; and
21 be it further

22 RESOLVED, That the Technical Working Group shall undertake any work
23 necessary to ensure the State's readiness to implement required modifications to the
24 State's existing revenue system, including, without limitation, any upgrade or
25 replacement of equipment or software required for such a modification; and be it
26 further

27 RESOLVED, That, upon recommendation of the Subcommittee, the Executive
28 Director of the Department of Taxation may request an allocation from the
29 Contingency Fund pursuant to NRS 353.266, 353.268 and 353.269 to acquire a
30 technologically sound computer system necessary for the collection or allocation of
31 taxes in the State; and be it further

32 RESOLVED, That the Interim Finance Committee shall, on or before October 1,
33 2010, submit a report of the results of its review and any recommendations for
34 legislation to the Governor and the Director of the Legislative Counsel Bureau for
35 transmittal to the 76th Session of the Nevada Legislature.
