AN ACT relating to water; revising the membership of the Western Regional Water Commission to allow for the inclusion of the Mayor of the City of Sparks; revising the membership of the Northern Nevada Water Planning Commission to include a representative appointed by the governing body of the Indian reservation which is the largest in area and contiguous to the planning area of the Western Regional Water Commission and to include a member appointed by the Board of Directors of the Washoe County Water Conservation District; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

Senate Bill No. 487 of the 2007 Legislative Session, otherwise known as the Western Regional Water Commission Act, created the Western Regional Water Commission and reconstituted the Northern Nevada Water Planning Commission. (Chapter 531, Statutes of Nevada 2007, p. 3285)

The Act requires two members of the City Council of the City of Reno and two members of the City Council of the City of Sparks to be on the Board of the Western Regional Water Commission. (Section 25, chapter 531, Statutes of Nevada 2007, p. 3290) The charter of the City of Reno specifies that the Mayor of the City of Reno is a member of the City Council of the City of Reno. (Sec. 3.010, chapter 662, Statutes of Nevada 1971, p. 1973) Under the charter of the City of Sparks, the Mayor of the City of Sparks is not a member of the City Council of the City of Sparks. (Sec. 3.010, chapter 470, Statutes of Nevada 1975, p. 732) Accordingly, under the Act, the Mayor of the City of Reno may be a member of the Commission, but not the Mayor of the City of Sparks. **Section 1** of this bill provides that, for the purposes of appointing a member of the City Council of the City of Sparks to the membership of the Commission, the Mayor of the City of Sparks shall be deemed to be a member of the City Council of the City of Sparks.

The Act sets forth the membership for the Northern Nevada Water Planning Commission to include a representative appointed by the governing body of the Indian reservation with the largest area in the planning area of the Western Regional Water Commission or, in the absence of such an Indian reservation, a member to represent the general public. The Act also requires a representative appointed by the Board of Supervisors of the Washoe Storey Conservation District to sit on the Commission. (Section 36, chapter 531, Statutes of Nevada 2007, pp. 3293-94) **Section 2** of this bill revises the membership of the Commission to include, instead, a representative appointed by the governing body of the Indian reservation which is the largest in area and contiguous to the planning area, and a representative appointed by the Board of Directors of the Washoe County Water Conservation District.
