EXPLANATION – Matter in *bolded italics* is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to elections; revising the date of the primary election to the second Tuesday in June of each even-numbered year; revising the provisions governing the registration of voters by mail; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 6 of this bill changes the date of the primary election from the twelfth Tuesday before the general election of each even-numbered year to the second Tuesday in June of each even-numbered year. (NRS 293.175) To provide an example, if the provisions of this bill had been in effect in 2008, the primary election would have been held on June 10, 2008, instead of August 12, 2008.

As a result of changing the date of the primary election, **sections 1-5, 7-12 and 14-17** of this bill amend various other dates relating to elections such as the date for filing declarations of candidacy.

Section 13 of this bill provides that no primary election will be held for a particular office if: (1) only one major political party has candidates for that office; and (2) that major political party has not more than twice the number of candidates to be elected to that office. This restriction on holding a primary election for a particular office applies regardless of whether there is a minor political candidate or an independent candidate for that particular office. (NRS 293.260)

Section 16 of this bill changes the date on which a voter's registration or correction of registration information is deemed to be effective to the earlier of the date on which the application is postmarked or received by the county clerk. (NRS 293.5235)
