EXPLANATION – Matter in **bolded italics** is new; matter between brackets ~~omitted material~~ is material to be omitted.

AN ACT relating to conduits; authorizing an entity that owns, operates or maintains a ditch to recover from certain persons the reasonable expense of any work performed by the entity that is necessary for the operation and maintenance of the ditch; providing for the imposition of a lien against any property to which water is delivered through the ditch; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 1** of this bill authorizes an entity that owns, operates or maintains a
2 ditch to perform any work necessary for the maintenance and operation of the ditch
3 and to recover the reasonable expense of that work from each person who receives
4 water through the ditch. **Section 2** of this bill provides for the imposition of a lien
5 against any property to which water is delivered through the ditch if a person who
6 receives water through the ditch fails to pay his proportionate share of the expense
7 of maintenance or operation. **Section 3** of this bill provides that each person or
8 entity constructing, operating or maintaining a ditch or flume has a right to the full
9 flow of water through the ditch or flume, regardless of whether the water is for use
10 by the person or entity or for delivery to others.
