Legislative Counsel's Digest:

Under existing law, the regional transportation commission in a county whose population is 400,000 or more (currently Clark County) has the authority to provide for the construction and maintenance of benches and shelters for passengers of public mass transportation. (NRS 373.1183) Additionally, the regional transportation commission is required to work with the regional planning coalition concerning plans for capital improvements. (NRS 278.02584)

Such a bus turnout must be constructed on land owned by the State or a local government. The commission must fund the construction of the bus turnout.
