AN ACT relating to time shares; providing for the relocation of a time share under certain circumstances; authorizing the withdrawal of time share units from a time-share plan under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel’s Digest:

1 **Section 1** of this bill provides that certain types of time shares may be relocated
2 to another unit or parcel: (1) if the replacement unit or parcel is within the same
3 project and governed by the same time-share instrument as the original unit or
4 parcel; (2) if the replacement unit or parcel has a value which is greater than or
5 equal to the value of the original unit or parcel; (3) if the replacement unit or parcel
6 contains similar sleeping accommodations for at least the same number of persons
7 as the original unit or unit type within the parcel; (4) if the time share is not a fixed-
8 unit time share; and (5) if the time share is a fixed-week time share or the rights of
9 use are within a particular season, use in the same fixed week or season is available.
10 **Section 1** only authorizes such relocation of a time share if: (1) the time share is
11 owned by the developer; or (2) the relocation is approved by a majority of the
12 association and agreed to by the developer.
13 Existing law provides that if a time-share instrument authorizes the developer
14 to withdraw units from the time-share plan, any unit that is subject to withdrawal
15 may not be withdrawn if a time share attributable to that unit is owned by a
16 purchaser. (NRS 119A.495) **Section 2** of this bill allows units or parcels to be
17 withdrawn from a time-share plan by the developer if all the requirements for such
18 a withdrawal are met, including consent by any remaining owners, amendment of
19 the time-share instrument to reflect the withdrawal, and the establishment or
20 amendment of agreements between the developer and the association to share
21 certain costs equitably.
