EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to time shares; providing for the relocation of a time share under certain circumstances; authorizing the withdrawal of time share units from a time-share plan under certain circumstances; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 1** of this bill provides that certain types of time shares may be relocated
2 to another unit or parcel if certain conditions are satisfied. **Section 1** only
3 authorizes such relocation of a time share if: (1) the time share is owned by the
4 developer; or (2) the relocation is approved by a majority of the association and
5 agreed to by the developer.

6 Existing law provides that if a time-share instrument authorizes the developer
7 to withdraw units from the time-share plan, any unit that is subject to withdrawal
8 may not be withdrawn if a time share attributable to that unit is owned by a
9 purchaser. (NRS 119A.495) **Section 2** of this bill allows units or parcels to be
10 withdrawn from a time-share plan by the developer if all the requirements for such
11 a withdrawal are met, including consent by any remaining owners, amendment of
12 the time-share instrument to reflect the withdrawal, and the establishment or
13 amendment of agreements between the developer and the association to share
14 certain costs equitably.

6 shall be deemed to have no further right, title or interest in the
7 unit or parcel originally conveyed or assigned to the owner.**

8 **5. For the purposes of this section, in determining whether
9 the replacement unit or parcel "provides the owner of the time
10 share the opportunity to enjoy a substantially similar vacation
11 experience as available with the original unit or parcel," the
12 following factors must be considered with respect to the similarity
13 of the replacement unit or parcel and the original unit or parcel:**

- 15 (b) Furnishings;
- 16 (c) Reservation rights;
- 17 (d) Standards of maintenance; and

20 **6. As used in this section:**

21 (a) "Fixed-unit time share" means a time share in which the
22 owner's rights of use are in a single designated unit.

23 (b) "Fixed-week time share" means a time share in which the
24 owner's rights of use are within a certain week or weeks on a
25 recurrent, periodic basis, and the weeks of use may rotate based
26 on a fixed-week calendar.

27 (c) "One-to-one use night to use right ratio" means that the
28 sum of the number of nights that owners are entitled to use in a

30 for use by those owners during that 12-month period. For the
31 purposes of this paragraph:

32 (1) No individual time-share unit may be counted as
33 providing more than 365 nights of use per 12-month period or
