AN ACT relating to health care; revising provisions governing the retention and destruction of health care records; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 **Section 1** of this bill requires that certain boards post a statement on their
2 Internet websites that the health care records of patients who are less than 23 years

4 be destroyed after 5 years.

5 Existing law requires certain providers of health care, including pharmacists, to
6 retain the health care records of patients for 5 years after their receipt or production.
7 (NRS 629.051) **Section 2** of this bill provides that this requirement relating to the
8 retention of records does not apply to pharmacists. **Section 2** also: (1) requires that
9 certain disclosures regarding destruction of records be provided to patients; (2)
10 prohibits the destruction of health care records for a person who is less than 23
11 years of age until the person attains the age of 23 years; and (3) requires the State
12 Board of Health to adopt regulations relating to the required disclosures.
