AN ACT relating to the Department of Motor Vehicles; providing that certain applicants for drivers' licenses, instruction permits, identification cards and commercial drivers' licenses may authorize the Department of Motor Vehicles to forward to the Selective Service System personal information necessary for registration with the System; and providing other matters properly relating thereto.

**Legislative Counsel's Digest:**

Under existing law, the Department of Motor Vehicles is prohibited from releasing personal information from a file or record relating to a driver's license or identification card except under certain circumstances. (NRS 481.063) Existing federal law requires every male citizen of the United States and every other male residing in the United States who is at least 18 years of age but less than 26 years of age to register with the Selective Service System. (50 U.S.C. App. § 453) **Sections 3-5** of this bill require the Department of Motor Vehicles to forward to the Selective Service System the personal information necessary for registration with the Selective Service System of any applicant for a driver's license, instruction permit, restricted license, special restricted license, identification card or commercial driver's license, or for a duplicate or substitute of such a license or permit, or for the renewal or reinstatement of such a license or permit, who is required to register with the Selective Service System and who indicates by checking a box on the application that he wishes the Department to forward such information. This bill also requires the Department of Motor Vehicles to include on the application for any such license or permit a notice that registration with the Selective Service System in compliance with federal law maintains the eligibility of the applicant for various federal benefits.
