CHAPTER.....

AN ACT relating to motor vehicles; specifically authorizing constables to issue citations for failure to register vehicles that are required to be registered in this State; increasing the fee to which constables are entitled for removing or causing the removal of abandoned vehicles from public property; revising the penalties for failure to register certain motor vehicles; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

Section 1 of this bill specifically authorizes constables to issue citations for the failure to register a vehicle that is required by existing law to be registered in this State and requires constables to charge and collect a fee from the person to whom the citation is issued. The citation is to be issued to the owner of the vehicle or the driver if the driver is not the owner but is the party responsible for registering the vehicle pursuant to existing law. (NRS 258.070) **Sections 3 and 4** of this bill clarify that constables are entitled to demand and to view the certificate of registration and to request information to determine whether the vehicle is required to be registered in this State. (NRS 482.255, 482.385)

Section 2 of this bill increases the fee to which constables are entitled for their services of removing or causing the removal of an abandoned vehicle from public property from \$50 to \$100. (NRS 258.125)

Existing law requires a person, within 60 days of becoming a resident of this State or at the time he obtains his driver's license, to apply for registration for each vehicle he owns which is operated in this State. (NRS 482.385) **Section 4** of this bill increases the fine for failing to comply with that requirement from a minimum of \$250 and a maximum of \$500 to a \$1,000 fine, and provides that the fine may be reduced to not less than \$200 if the person provides proof of registration of the vehicle in Nevada at the time of his hearing.
