

SENATE BILL NO. 220—COMMITTEE ON HEALTH AND EDUCATION

MARCH 13, 2009

Referred to Committee on Health and Education

SUMMARY—Provides for the establishment of the Chronic Obstructive Pulmonary Disease Program. (BDR 40-1135)

FISCAL NOTE: Effect on Local Government: No.
Effect on the State: No.

~

EXPLANATION – Matter in ***bolded italics*** is new; matter between brackets [omitted material] is material to be omitted.

AN ACT relating to public health; providing for the establishment of the Chronic Obstructive Pulmonary Disease Program within the Health Division of the Department of Health and Human Services; and providing other matters properly relating thereto.

Legislative Counsel's Digest:

1 This bill requires the Health Division of the Department of Health and Human
2 Services to establish, within the limits of available money, the Chronic Obstructive
3 Pulmonary Disease Program within the Division in order to establish strategies for
4 reducing the impact of chronic obstructive pulmonary disease and to coordinate
5 efforts to assist persons with chronic obstructive pulmonary disease in this State.
6 This bill also authorizes the Health Division to apply for and accept gifts, grants
7 and bequests to carry out the Program.

1 WHEREAS, Chronic obstructive pulmonary disease is a
2 progressive disease of the airways that is characterized by a gradual
3 loss of lung function, including emphysema and chronic bronchitis;
4 and

5 WHEREAS, Chronic obstructive pulmonary disease is currently
6 the fourth leading cause of death in the United States, resulting in
7 approximately 120,000 deaths annually; and

8 WHEREAS, Nationally, more than 12 million persons have been
9 diagnosed with chronic obstructive pulmonary disease and an
10 additional 12 million persons have evidence of impaired lung

1 function, indicating that chronic obstructive pulmonary disease is
2 underdiagnosed; and

3 WHEREAS, Approximately 112,000 residents of Nevada are
4 currently living with chronic obstructive pulmonary disease; and

5 WHEREAS, In 2007, the costs associated with chronic
6 obstructive pulmonary disease were approximately \$42.6 billion,
7 including \$27.7 billion in direct health care costs; and

8 WHEREAS, Early diagnosis and appropriate treatment of chronic
9 obstructive pulmonary disease reduces the financial costs associated
10 with the disease and improves the quality of life of persons suffering
11 from the disease; now, therefore,

12 THE PEOPLE OF THE STATE OF NEVADA, REPRESENTED IN
13 SENATE AND ASSEMBLY, DO ENACT AS FOLLOWS:

14 **Section 1.** Chapter 439 of NRS is hereby amended by adding
thereto the provisions set forth as sections 2 and 3 of this act.

15 **Sec. 2.** *Within the limits of available money, the Health
Division shall establish the Chronic Obstructive Pulmonary
Disease Program to establish strategies for reducing the impact of
chronic obstructive pulmonary disease and to coordinate efforts to
assist persons with chronic obstructive pulmonary disease in this
State, including, without limitation:*

16 *1. Developing effective strategies for the prevention and early
diagnosis of chronic obstructive pulmonary disease;*

17 *2. Making recommendations to health care professionals
concerning the treatment and management of chronic obstructive
pulmonary disease, including, without limitation,
recommendations to increase access to nonpharmacologic
therapies;*

18 *3. Increasing public knowledge and awareness of chronic
obstructive pulmonary disease, including, without limitation, the
education of persons with chronic obstructive pulmonary disease,
their families, health care professionals, providers of health care
and the public on matters relating to chronic obstructive
pulmonary disease; and*

19 *4. Soliciting funding and other resources to ensure the
continuation of the Chronic Obstructive Pulmonary Disease
Program and other programs which address issues relating to
chronic obstructive pulmonary disease.*

20 **Sec. 3.** *1. The Health Division may apply for and accept
gifts, grants and bequests to carry out the provisions of this section
and section 2 of this act.*

21 *2. Any money that is accepted by the Health Division
pursuant to subsection 1 and any legislative appropriations made*

* S B 2 2 0 *

1 *to carry out the Chronic Obstructive Pulmonary Disease Program*
2 *established pursuant to section 2 of this act must be deposited in*
3 *the State Treasury and accounted for separately in the State*
4 *General Fund.*

5 *3. Except as otherwise provided by the terms of a gift, grant*
6 *or bequest, expenditures from the account must be made only for*
7 *carrying out the provisions of this section and section 2 of this act.*

8 *4. The Administrator shall administer the account.*

9 *5. Money in the account does not revert to the State General*
10 *Fund at the end of a fiscal year. The interest and income earned*
11 *on the money in the account, after deducting any applicable*
12 *charges, must be credited to the account. Any claims against the*
13 *account must be paid as other claims against the State are paid.*

14 Sec. 4. This act becomes effective on July 1, 2009.
